

To Reopen School Rooms at Eldorado

Board at Special Meeting Votes to Hire 2 Teachers

Follows Conference With Gardner, Review Of School Finances

The Board of Education of the Eldorado City Schools, at a special session at 7 a. m. today, voted to hire two teachers and restore the second and fourth grade rooms at the Lincoln attendance center.

A week ago Friday the board had closed the two grades and moved pupils and teachers to Washington school, releasing two substitute teachers to make room for the faculty members from Lincoln. About 25 pupils were affected by the closings.

This caused a protest from mothers of children in the Lincoln school area, and there was picketing with banners at Washington school on Tuesday afternoon, Wednesday and Thursday. Picketing was stopped after there were indications there could be a solution to the matter.

Conference With Gardner

The special meeting this morning was a follow-up of a two-hour conference held Sunday by C. H. Gardner, county superintendent of schools, who had been requested by the board and interested patrons to act as moderator. This conference was held with seven representatives of the interested patrons and five members of the seven-member board of education and a review of the school district's financial structure was the principal topic during the afternoon.

This morning's meeting was arranged to accommodate two members of the board of education who could not be in attendance yesterday. At the conclusion of this morning's board meeting, not attended by the patrons' committee, the board voted to hire two teachers and reopen the two rooms.

At the regular board meeting last Thursday night one member, Dr. Quentin Wilson, said he and other board members were under the impression that the school would have between \$20,000 and \$25,000 less money with which to operate this year than last. He also said that if the figure was sufficiently less than the \$20,000 or \$25,000 he would be willing to vote for restoration of the two rooms. At today's meeting, it was learned, Dr. Wilson made the motion to reopen the rooms.

Little Change In Income

At the week-end meetings Superintendent Gardner produced income figures for last year and projected figures for this year. He said the assessed valuation and the tax rate would be the same and added that comparison of the two school years pointed to very little change, if any, in the expected income of the district this year as compared with the last term.

He also pointed out that there were 27 members on the 1956-57 faculty compared with 22 this year.

"In assuming that an average salary for each teacher is \$3,500, a reduction of five teachers would result up less expenditure this year of about \$17,500," Gardner stated. "Also, the school district this year has discontinued offering transportation, an expensive item in school finance."

There was no immediate word on just who the new teachers would be.

Mrs. Roy Metcalf to Address County Historical Society Meeting Tuesday Night

Mrs. Roy Metcalf will be the speaker at the regular monthly meeting of the Saline County Historical Society Tuesday evening at the library. The introduction to her talk will deal with antiques in general found in southern Illinois. She will have a display of Majolica and the major emphasis in her talk will be on this highly prized collector's item. Majolica, like many valuable pieces today, served as a favorite wedding gift as well as being given as prizes during the time it was made extensively. Its history, method of manufacture and its value today combine to make an interesting meeting on Tuesday.

Mr. and Mrs. Metcalf are regarded as authorities in their business, their specialty being art glass of many kinds. Much of their time is devoted to orders for special collectors. Mr. Metcalf has recently

FLEEING THE TERROR — Flames from a brush fire race through treetops in San Diego, Calif., dwarfing the man racing to escape them. The house, at right, was saved from the flames. (NEA Telephoto)

Tom Endicott Sells Buick Sales To Brother; Buys Agency in Florida

Announcement was made today that Tom Endicott has sold his interest in the Tom Endicott Buick auto sales to his brother, Robert Endicott, and that Tom Endicott has bought a Buick automobile agency at Del Ray Beach, Fla.

Robert Endicott, who has been manager of the Endicott Excel Market the past two years, will take over on Oct. 1 the operation of the Buick agency in Harrisburg, which will be known as Endicott Buick. The agency is on U. S. Route 45.

Tom Endicott announced that he sold his agency in Harrisburg for reasons of ill health. Both Mr. Endicott and his five-year-old son suffer from hay fever and he had been looking for a location where the climate was more favorable.

The Florida city where he obtained the Buick franchise is on the east coast, between Miami and Palm Beach. He left Harrisburg last Thursday for the new site and his wife and two children will depart later. He will assume his new dealership Oct. 1.

Mr. Endicott, who has been the Buick dealer here for the past five years, has done an outstanding job in the operation. He expressed his regret at leaving.

"I definitely did not want to leave Harrisburg, my home town," he stated. "I have loved my work here but decided that for reasons of health it would be better if I sought a different climate. The decision to leave was hard to make."

His brother, Robert, obtained a degree in business administration at Illinois Wesleyan University at Bloomington, Ill., following his

MINES

Sahara 5, 16 and 2nd washer shift work.

Carmac works.

Will Scarlett idle.

returned from a show in Asheville, N. C., one of the largest and finest in the U. S. Mrs. Metcalf will leave the latter part of October for a show in Wilmette, Ill.

The meeting, which will be held in the lower rooms of the Mitchell-Carnegie Library at 7:30, will be opened with a piano solo by George Dennis, son of Judge and Mrs. Traffon Dennis. He is a very talented young man and the society is pleased to welcome him.

Reports on the progress of the historical markers, the Lincoln Bricks, the Autumn Color Tours, and the Old State Bank at Shawneetown will be given.

The public is cordially invited to attend any and all meetings of the Saline County Historical Society. Mr. and Mrs. Louis Aaron will be in charge of the social hour.

Clifford Johnson, Former Resident Of Galatia, Dies

Clifford Johnson, 49, a former resident of Galatia, died in St. Joseph's hospital in Peoria, Saturday afternoon. He was the son of the late John Henry and Laura Johnson, former Galatia residents. The funeral services will be held at 10:30 a. m. Tuesday in the Wilton funeral home at Peoria and burial will be in the St. Joseph's cemetery there.

Mr. Johnson is survived by his wife, Katherine, of Peoria; and the following brothers and sisters: Tom Johnson and Vernon Johnson, Peoria, Dan, Raymond, and Ed Johnson, Springfield, Mrs. Helen Gill, teacher in the grade school in New Haven for several years, and Mrs. Eunice Anderson, Elmhurst.

Daley Criticized At Formation of Demo Federation

Will Operate Separately from Regular Party

SPRINGFIELD (AP) — Chicago Mayor Richard J. Daley and other Cook County leaders came in for some stinging criticism during the formation of a new Democratic Federation of Illinois here this week end.

The federation was organized to operate separately from the regular Democratic organization and to attract voters and contributors who might be reluctant to affiliate with the "professional" Democratic organization.

State Rep. Paul Simon, Troy, was elected chairman of the federation. Edward T. Kelly, Chicago, an aide to U. S. Sen. Paul H. Douglas, was elected vice chairman; Mary Beth Carroll, dean of women at Rockford College, was elected secretary; and Arnold Maremont, Chicago industrialist, was chosen treasurer.

Sen. William E. Proxmire, Wisconsin Democrat who was elected to fill the unexpired term of the late Sen. Joseph R. McCarthy, was principal speaker at the federation's first dinner Saturday night, which drew a crowd of about 350.

Harold Pogue, Decatur, former trustee of the University of Illinois, led the onslaught on Daley and other leaders in the regular organization.

He said the federation is not "trying to tell those running the party how to run it but they could well take some advice."

He said the regular organization has been "giving us some beautiful examples of how not to win elections."

Pogue's speech was directed at charges that Daley and other leaders have been handpicking Democratic candidates for state office.

John E. Cassidy, Peoria, former Illinois attorney general, joined the attack and said party leaders "antagonized the voters" by meeting behind closed doors to handpick the party slate.

Kelly told the meeting "there was no reason for and really no excuse for" charges made against the federation last week at a meeting here to form a new Democratic county chairmen's organization.

At that meeting State Rep. Paul Powell, Vienna, led the attack on the federation as a move to "take over the party."

Scott is Elected To Regional Board Of Demo Federation

The governing body of the Democratic Federation of Illinois is made up of a state-wide executive board, comprised of the elected officers of the organization, to gether with other party members. The state has been divided into six regions, with each of the regions having representation on the board.

Five of the regions — Northern, Western, Eastern, Southwestern and Southern — each have four members on the board. The Northern Metropolitan region, composed of Lake, DuPage, Will and Cook counties, will have twenty members.

Elected to the executive board from the Southern region were Attorney Don Scott of Harrisburg, George B. Bader Jr., of McClure, Mrs. Hazel Berlin of Vandalia and Ed Vogt, Litchfield.

The organization is provisional. Atty. Scott said today, and will operate as a provisional organization until a statewide convention is held at Springfield in June, 1958. At that time plans are to make the organization permanent in nature.

No Decision Yet on Calling Special Session: Faubus

FAUBUS MEETS WITH MOTHERS—Arkansas Gov. Orval E. Faubus shakes hands with Linda Lou Head, 7, daughter of one of the 150 or more mothers who marched on Governor's Mansion in Little Rock to ask that troop-guarded Central High School be closed. After meeting the mothers, Faubus told an impromptu news conference that he is giving "serious consideration" to calling the Arkansas legislature into special session to enact legislation aimed at taking Central High School "out from under" Federal control. (NEA Telephoto)

In Acceptable Stages

Will Suspend Nuclear Tests for Disarmament, Lodge Tells Russia

UNITED NATIONS (AP) — Ambassador Henry Cabot Lodge told Russia today the West will agree to suspension of nuclear tests if the Kremlin will go along with a disarmament program "in acceptable stages."

Lodge, speaking for the United States, told the United Nations Disarmament Commission the entire record of the 5½ months' private arms talks held in London earlier this year should be reviewed by it and by the General Assembly "calmly and in a spirit of good will."

"We commend our proposals," he said.

Funeral Services Held Today for George King, 70

George King, 70, 26 West Lincoln street, Harrisburg, died at 6:05 p. m. Friday in the Veterans hospital at Marion. The funeral services were held in the Church of the Living God, 11 Towle street, at 2 p. m. today. Rev. Melvin Priest officiated and burial was in the Wolf Creek cemetery at Eldorado. The body was in the care of the Turner funeral home, Harrisburg.

Mr. King is survived by his sons, Ed King, Hammond, Ind., Donald King, Menard, and Lester King; and his daughters, Maudie King, Dixon, Francis Hayes, Gary, Ind., and Mae Belle King, Harrisburg.

Bloodmobile to Visit Harrisburg Wednesday; Appeal for Donors

The Red Cross Bloodmobile will be at the Harrisburg Elks club Wednesday, Oct. 2, from 12 noon to 6 p. m.

The Saline county chapter urges a good response in the appeal for blood donors during the visit.

The chapter points to the following facts showing the citizens of Saline county are not responding as they should in the appeal for blood.

There are 17,490 people in Saline county between the age of 18 and 60 and of this number, 15,741 are potential blood donors. Only 428 residents of Saline county and 13 out-of-county residents have donated blood from July 1, 1956, through August 31, 1957.

Donors from different towns are as follows: 270 from Harrisburg; 107 from Eldorado; 39 from Carrier Mills; 6 from Galatia; 4 from Raleigh; 2 from Stonefort; 3 from Equality; 1 from New Burnside; 4 from Creal Springs; 1 from Vienna; 1 from Ozark; and 3 from New Haven. A total of 577 pints of blood was collected during this period.

Many donors can not give over once or twice a year, so 428 individuals can not be expected to meet the requirements of a county with a population of 33,420. This is a county program, maintained for the welfare of every resident; therefore every resident has a responsibility.

There are very few families in

the county who do not have at least one member who could meet the requirements to give blood. If anyone is in doubt as to what this program means to the residents of Saline county, he should ask his family doctor. Statistics show that 3 per cent of the total population must be donors to meet the minimum blood needs of a county. Only 1.25 per cent of our population is giving blood.

Not enough families of patients receiving blood are assuming their moral responsibility of giving blood in appreciation of blood received. No one is forced to replace blood but families are asked to support the program by being blood donors when the bloodmobile is in Saline county.

The Red Cross Blood Program committee wishes to thank all the blood donors who responded to the urgent appeal when the bloodmobile was in Eldorado last month. Thirteen donors came in for the first time and Pauline Ande, Opal Rogers, and Ollie Gibbons became members of the "Gallon Club." Only 50 pints of blood were collected but this was a 20 per cent increase compared to the last visit in Eldorado.

Saline county is still running far below its quota of blood due the center so donors are urgently needed.

Gov. Stratton Urges Careful Understanding Of Little Rock Case

SPRINGFIELD (AP) — Governor Stratton has called for "careful understanding" in the Little Rock integration case and President Eisenhower's use of federal troops there.

Stratton, who is chairman of the National Governors' Conference, told a Civil War round-table meeting Saturday night that the President acted "not because of the matter of integration but because the orders of the federal court matter of integration but because the orders of the federal court were being disrupted."

He said it was Eisenhower's job to "maintain respect for national law."

Stratton avoided any reference to Arkansas Gov. Orval E. Faubus.

Drugged and Robbed, Barge Worker Says

Faris Morris, 40, barge worker from St. Louis and Frisco City, Ala., told county officers this morning that he had been drugged near Evansville and robbed and abandoned near Stonefort.

He said he lost a big new suitcase filled with clothing, between \$90 and \$80 in cash, and the shoes and jacket he was wearing.

Morris was picked up around 5 a. m. Sunday by Earl Pankey in the vicinity of the old Garris Chapel and taken to Deputy Sheriff Jeff Stricklin at Carrier Mills.

He gave the following account of what happened:

He was at the Evansville bus station Saturday night preparing to buy a ticket to St. Louis when four men in a car told him they would take him to St. Louis if he would buy the gasoline.

He agreed, he said, buying the gasoline and a pint of whisky. Each took a swig of the whisky. Morris getting the last drink, and that was the last he knew until he awakened near Stonefort. He said he believed that knockout drops were put in the bottle just before he took the drink.

Morris said he had been working on a barge which hauled fertilizer from West Virginia down the Ohio and Mississippi, that the barge was going into dry dock and that he rode it to Evansville, getting off to go on to St. Louis.

Mrs. Willis Foster, Former Resident, Dies

Mrs. Eva Foster, 60, widow of Willis Foster, a former resident of Harrisburg, more recently residing at 805 Glendale street, Benton, died in the Franklin county hospital at 4:30 a. m. Saturday. The Freeman funeral home in Benton was in charge of the arrangements and the funeral was held in the Church of God on North McLeansboro street, Benton, at 2 p. m. today. Rev. H. R. Harwood and Rev. Walter Joplin officiated and burial was beside her husband in the Sunset Lawn cemetery in Harrisburg.

Would Consider Closing Little Rock High School

Reduce Force of Paratroopers, Bayonets Removed

LITTLE ROCK, Ark. (AP) — Gov. Orval E. Faubus said today he has made "no decision yet" on whether to call the Arkansas Legislature into special session to consider closing Central High School.

In one breath, Faubus told reporters that "It is very likely there will be a special session." But a second later, he added:

"There has been no decision yet and it very well could be that there will be no special session." "Do you personally want a special session?" a reporter asked Faubus.

"Personally, no," the governor replied. "It's a lot of work and a terrific strain."

He had said previously that he was under "pressure" from members of the Legislature to call the session.

He made these statements to reporters as he arrived at his office at the state Capitol. Earlier, he had implied to a United Press reporter, who joined him for breakfast at the governor's mansion, that he was cooling off on the idea of a special session.

Fewer Paratroopers on Guard
At troop-guarded Central High, the second week of integrated education began peacefully.

A reduced force of paratroopers, with bayonets removed from their rifles, stood guard as nine Negro children entered the school without incident.

The Negro children arrived at the school at 8:15 a. m. c. s. t. in an Army station wagon, escorted as usual by two jeeps of paratroopers. One soldier, with a pistol strapped on his belt escorted them from the car into the building. A small group of white students stood on the steps to watch their arrival, but made no demonstration.

About 200 paratroopers, less than half the number who drove back sullen crowds last Wednesday, ringed the school this morning. The naked bayonets which had been fixed on their M-1 rifles last week were conspicuously absent.

No crowds assembled on the streets near the school.

Faubus envisioned reopening the school as a "private institution," a maneuver calculated to remove the federal government's legal justification for using troops to enforce integration.

Political opponents were confident they could defeat Faubus' plan either in the Legislature or in the courts. Central High School gets more than 80 per cent of its funds from local taxes which do not pass through state collection and disbursement machinery.

Some local authorities felt the school could continue to operate indefinitely with these funds even if state support were cut off.

They also believed, as did legal officials in Washington, that federal courts would quickly strike down any special legislation that was aimed solely at integrated schools.

Charged With Leaving Scene of Accident

Bob Roberts, who lives on West Logan street, was given a ticket today for leaving the scene of an accident after his car struck at auto on South Main street near Cook's tin shop.

Extinguish Fire

The Harrisburg fire department yesterday afternoon extinguished a sign board fire on Route 13, a short distance west of Harrisburg.

DR. FRANK NORFLEET, pastor of Immanuel Baptist church, Paducah, Ky., will be the evangelist for eight day revival at First Baptist church, Harrisburg, Oct. 13-20. Dr. Norfleet's church in Paducah is rounding out a quarter century of broadcasting the gospel. The broadcasting of its morning services is the oldest continuing broadcast in Kentucky and is one of ten oldest in the entire nation. Dr. Norfleet was appointed a Kentucky Colonel by the governor of Kentucky for his outstanding contribution to the city of Paducah, in serving as president of the cities' Good Government League. Dr. Norfleet is known throughout the Southern Baptist Convention as one of its ablest speakers to state brotherhood conventions. While in Harrisburg he will be speaking twice daily, at 10 a. m. and 7:30 p. m.

Brother Signers

Richard Henry Lee and Francis Lightfoot Lee, of the well-known Virginia family, were the brothers who signed the Declaration of Independence.

SIU to Conduct Classes Here

Adult night classes in typing, accounting, arts and crafts and beginning sewing will be conducted in Harrisburg this fall by the Southern Illinois University Division of Technical and Adult Education.

Registration for the non-credit courses, open to any Harrisburg area adult regardless of previous education, will be held from 7:30-8:30 p. m. Monday (Sept. 30) at Harrisburg Township High School.

Tuition and book fees are payable at registration. Illinois veterans, however, may present a photostatic copy of discharge papers in lieu of cash to cover payment.

All classes will meet at the high school on Monday nights for 12 weeks.

The schedule, with meeting times and fees:

Beginning typing — Mondays, 7:30-8:30, \$16.70.

Accounting II — Bookkeeping — Mondays, 7:30-8:30 p. m., \$18.

Arts and crafts — 7:30 p. m., Mondays, \$10.80.

Beginning sewing — Mondays, 7:30 p. m., \$10.80.

Life Expectancy Up

NEW YORK (AP) — Average life time of Americans has been increased by about 20 years since 1900, insurance company statisticians report. The life expectancy of babies born now is 69½ years, according to the Metropolitan Life Insurance Co.

The treasurer of the United States is actual custodian of the public moneys.

Carmi Garden Clubs Present

"Indian Summer by the Lake"
The Garden clubs of Carmi, the Little Wabash garden club and the Green Thumb garden club, are presenting, "Indian Summer by the Lake" from 2 to 6 p. m. Sunday, at Carmi.

There will be five major divisions and 1st, 2nd and 3rd place ribbons will be awarded in each class, where merited. Division 1 is horticulture, plant collector's corner; division 2, horticulture, in door gardens; division 3, horticulture, cut flowers; division 4, artistic arrangements and division 5, out-door tables.

Of particular interest in class 4, is an invitational class, "Refreshment Time," an arrangement expressing "frosty drinks for fall holidays." This class is limited to Out-of-County Exhibitors and White County Exhibitors who have won more than five blue ribbons.

In division 5, the invitational class, "Bar-B-Que Supper," using fresh fruits and/or flowers, will be limited to Out-of-Town Exhibitors.

Rules include the following: 1. All entries must be in place and ready for judging by 11 a. m. on Sunday. 2. Entries will be accepted from 2-5 p. m. Saturday preceding the show and from 8:30-10:30 a. m. Sunday. No exhibit may be removed before 6 p. m. Sunday.

Card tables will be furnished for out-of-county exhibitors only. Ladies are requested to wear low heels to protect the lawns.

White ribbons will be awarded for honorable mention in any class. A tri-color will be awarded to the outstanding blue ribbon winner in arrangements and horticulture, if merited, and a sweepstakes award will be given to a club.

There will be a division for juniors, under 16 years of age.

Miss Sherry Lynn Fielding Celebrates Eighth Birthday

Miss Sherry Lynn Fielding, daughter of Mr. and Mrs. Randall Cook, 705 West Parish street, Harrisburg, celebrated her eighth birthday with a party in her home, Thursday.

There were games, and prizes were won by Karen Rider, Junior Rider, Richie Gidcomb and Doug Angelly. Sherry opened many gifts from her guests and friends, which were admired by the group. Party refreshments were served by her mother, assisted by Miss Patty Schellenger.

Others present at the party were: Candy and Sherry Duncan, Lucy Gidcomb, Terry Davis, Joan Cozart, Carol Adams, Brenda Williams, Connie Jo Mathews and Barbara Molly.

Sherry and her parents moved to Harrisburg from Murphysboro, recently.

Mr. and Mrs. J. R. Partain and Mr. and Mrs. Ed Mendenhall, Harrisburg, visited in Rose Hill Friday.

Calendar Of Meetings

Rebekahettes of Theta Rho girls' club will meet at 6:30 p. m. Tuesday. This is a regular meeting and important business concerning the trip to Springfield will be discussed. Members are urged to attend. Mrs. George Chrisman, adviser.

There will be a stated meeting of Galatia IOOF Lodge No. 433 Tuesday at 7:30 p. m. All members are urged to attend and visitors are welcome.

Pride of Midway Rebekah Lodge No. 679 will not have initiation tonight but will have degree practice immediately following the regular lodge meeting.

The Bona Fide Federated club will meet Tuesday at 7 p. m. at the home of Mrs. Lydia White.

Notice Masons: Special meeting Harrisburg lodge No. 325, A. F. & A. M., Tuesday 1:15 p. m. at Masonic temple to attend funeral of Bro. Virgil Anderson. Alonzo Shewmake Jr., W. M.

Regular stated meeting Harrisburg lodge No. 325, A. F. & A. M., Tuesday 7:30 p. m. Alonzo Shewmake Jr., W. M.

FRECKLES AND HIS FRIENDS

Can't Win

L'I' ABNER

CAPTAIN EASY

Short Hours?

BY V. T. HAMLIN

Yep, There He Goes!

Fracas Follows SIU-Arkansas State Contest

CARBONDALE, Ill. (U-P)—A football fracas which broke out after a rough Arkansas State College-Southern Illinois University game was investigated by SIU officials today.

Arkansas State won the game Saturday, 13-6.

But nobody was sure who won the fight that followed the game. Nor was anyone sure how, or why, it started.

Nearly 300 persons swarmed onto the field after three SIU players tackled an Arkansas ball carrier in the last play of the game. One fan said the Arkansas player felt he had been tackled too hard and swung at one of the SIU men.

About 10 persons—players and spectators—exchanged blows, but no one was reported injured. Campus police broke up the demonstration in about five minutes.

SIU has a number of Negro players, including halfback Carver Shannon, leading scorer and ground gainer of the Interstate Intercollegiate Athletic Conference last year.

Shannon was knocked unconscious early in the game, which had no penalties called in spite of the rough play.

Safety Chances

Distance required to stop a car on ice changes from hour to hour. The nearer ice gets to the melting point, the more slippery it becomes.

Michigan's first automobile manufacturing company was started in Lansing in 1897.

Looking at Sports

BY BILL MELTON

Tuesday afternoon Equality and Carrier Mills high schools will engage in a cross country meet at Carrier Mills and it presents a rather unusual situation.

A. L. Willis, Carrier Mills coach, formerly was mentor at Equality and members of the Equality cross country team were coached as freshmen and sophs by Willis. Nothing would please them more than to beat their "old coach" and of course Willis would enjoy winning from his former "boys."

And the Equality coach, John Beggs, is a CMCHS graduate and still makes his home in Carrier Mills. Beggs would be more than happy to grab a win in his first appearance against his former school. And the CM runners are just as anxious to spoil Beggs' debut. It's all good natured of course.

The meet is to be run at 3 p. m. A large ribbon will be presented the winning team and smaller ribbons awarded the first five finishers.

Two changes have been made in the Eldorado football schedule from the original announcement.

The first change added another home game for Eldorado and the other changed a Friday night game to Saturday night.

Eldorado will meet Norris City in a couple of weeks—Oct. 11—and the game was listed for Norris City. However the Norris City gridiron isn't in the best of condition and by mutual agreement the site was transferred to Eldorado. This will give the Eagles four home games in a nine-game schedule.

The game with Benton, first announced for Friday, Nov. 1, has been moved forward to Saturday, Nov. 2.

More than one thing probably figured in the change, but one consideration was the "gate." Harrisburg entertains West Frankfort on Nov. 1 and it seemed rather unwise to have two big attractions the same night within 8 miles of each other.

The shift in the Benton-Eldorado game to Nov. 2 will give fans a chance at a full week end of football without leaving the county.

The Nov. 2 week end will be homecoming at Eldorado.

Basketballs will start bouncing tomorrow in all the non-football playing high schools, and in some that play football.

Oct. 1 is the earliest date, according to the IHSA, that basketball practice can be started.

Bragan to Pilot Indians

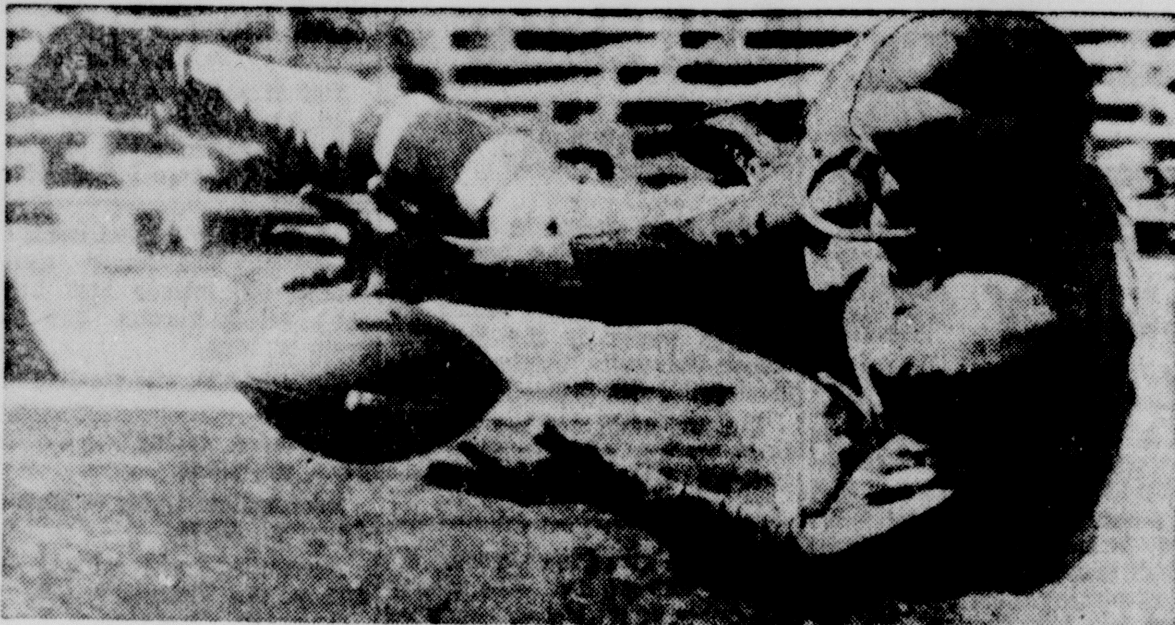

CLEVELAND (U-P)—Pepper-pot Bobby Bragan, who was dropped as manager of the Pittsburgh Pirates in mid-season, bounced back into the major leagues today as the new manager of the Cleveland Indians.

The fiery Bragan succeeded a bitterly disappointed Kerby Farrell, whose release was announced last night at the end of a season that saw the highly-rated Indians finish in sixth place, 21½ games behind the Yankees.

"We feel that a change of managers will serve the best interests of the team," said General Manager Hank Greenberg in announcing the switch.

Bragan, former major league catcher who managed the Pirates to a brilliant start in 1956 but a poor start this year, was not present at the meeting that made known his appointment. He was in Cuba, where he is managing Amadores of the Cuban Winter League, but Greenberg said Bob by would arrive in New York early Tuesday to attend the World Series and meetings with the Cleveland staff.

The Four Horsemen of the Apocalypse represent Conquest, Death, Famine and Slaughter.

GOOD CATCH, ANYWAY—Tommy McDonald appears to be making a miraculous catch of a low forward pass but in reality the Philadelphia Eagles' halfback is recovering his own fumble as he heads earthward after being tripped up in the 17-14 defeat by the 49ers at Kezar Stadium in San Francisco. McDonald had taken a lateral from Frank Wydo.

Stan Musial, Ted Williams Win Batting Titles

By United Press

That "youth will be served" stuff was temporarily shelved in the leagues on the final day of the 1957 baseball season as 39-year-old Ted Williams and 35-year-old Stan Musial officially wrapped up the batting championships.

Williams finished with a .388 batting average to .365 for American League runner-up Mickey Mantle of the Yankees.

Musial was an easy National League winner with .351 to .333 for Willie Mays of the Giants.

The major league home run crown went to hammerin' Hank Aaron of the Milwaukee Braves as Ernie Banks of the Chicago Cubs, who had 43, bagged five hits during an 8-3 victory over the Cardinals but couldn't get that one last homer. Aaron also took the big league runs-batted-in title with 132.

Roy Sievers of the Washington Senators became the first member of an eighth-place team ever to win three American League championships.

Sievers won the home run crown with 42, the runs-batted-in crown with 114, and the total bases title with 331.

Jim Bunning of the Detroit Tigers got credit in relief for a 7-4 victory over Kansas City to join the 20-game winners' club at the last minute with a 20-8 record. The only other pitchers to make

it this year were Warren Spahn of the Braves with 21 and Billy Pierce of the White Sox with 20.

But the top won-lost percentage crowns went to non-members of the elite circle. Bob Buhl of the Braves was best in the National League with 18 wins and seven losses for 7.20 and Dick Donovan of the White Sox and Tom Sturdivant tied for A. L. honors at 16-5 for .727.

Big Ten Teams, Michigan State, Minnesota, Iowa And Michigan, Show Power

By United Press

Based on their opening game victories, at least four teams from the Big Ten Conference should give defending champion Oklahoma a real tussle for this year's national college football crown.

While Oklahoma enjoyed an open date last Saturday, Michigan State, Minnesota, Iowa and Michigan stole some of the Sooners' thunder the first time they flexed their muscles this season.

Michigan State employed 67 players in an effort to keep the score respectable but still wound up with a 54-0 triumph over Indiana; Minnesota trampled Washington, 46-7; Iowa ran up its highest score in 43 years in blasting Utah State, 70-14; and Michigan turned back Southern California, 16-6.

Oklahoma swings back into action this week against Iowa State in a Big Eight conference game. This contest shaped up as another "breather" for the Sooners until last week end when Iowa State displayed surprising scrap in battling Syracuse to a 7-7 tie.

The Big Ten's "big boys" have Saturday dates with comparatively weak non-league opponents. Michigan State visits California, which dropped a 13-7 verdict to Washington State; Minnesota hosts Purdue, which suffered a 12-0 shutout at the hands of rebounding Notre Dame; Michigan entertains Georgia, a 9-6 loser to Vanderbilt; and Iowa hosts Washington State, fresh from its victory over California.

Aggies Look Impressive
Texas A&M, ranked second behind Oklahoma last week, looked impressive once again in bowling over Texas Tech, 21-0. But the Aggies may not find things as easy this week when they visit Missouri, a 35-13 winner over Arizona.

Among the other top-ranked teams, Navy is at North Carolina, Tennessee hosts Mississippi State, Duke entertains Maryland and Oregon State is at Northwestern. Third-ranked Georgia Tech will draw a one-week respite and can use it after being held to a surprise scoreless tie by Southern Methodist. In other week-end shockers, Auburn handed Tennessee a 7-0 defeat on a touchdown by Billy Atkins; Texas Christian fought off a last-ditch Ohio State rally for an 18-14 victory; Columbia presented new coach Buff Dornelli with a 23-20 opening game

VFW Loses to Evansville, 11-7

The VFW baseball team was downed 11-7 Sunday afternoon on VFW field by the Evansville, Ind., All-Stars. The All-Stars were formed from the Evansville Union team and the Richland, Ind., team. This was VFW's second loss in its last 16 games and its season record now stands at 25 wins and 9 losses.

Jerry King and Don Wallace pitched the first 5 innings for VFW and had control trouble and also got some shoddy support as the visitors piled up a 10-3 lead. Don Stout took over the in the sixth and allowed only three hits and one run over the remainder of the route and the VFW, which has made a practice of winning games in the late innings, fought back but this time were just too far behind and fell 11-7.

Bill Roland, a former Western Association pitcher, threw an assortment of curves and change-ups at the locals and although touched for 12 hits managed to hang on for the win.

Harrisburg started strong and ended strong but in the in-between innings played poorly. In the first inning Romonosky hit a long home run to right center with two mates aboard and in the ninth scored two runs on an interference, a fielder's choice and triples by Ron Ziegler and Bill McNew.

Bill McNew led the local hitters with three hits. Bob Dallas and Ray Sisky had two hits and Stout, Ziegler, Romonosky, Willis and King got the other hits. Holland and Jones had three hits each to lead the winners.

Next Sunday the VFW will play a double header on VFW field when Thompsonville and Marion visit Harrisburg.

Yankees Await Arrival of Braves; Two Stars, Mantle And Skowron, on Ailing List

NEW YORK (U-P)—The champion New York Yankees hoped to solve their injury problems today while awaiting the arrival of the Milwaukee Braves and what could be the richest overall World Series in history.

Manager Casey Stengel of the Yankees, shooting for his eighth Series championship in nine tries, wondered whether his ailing stars, Mickey Mantle and Bill (Moose) Skowron, would be able to play in Wednesday's opening game at Yankee Stadium.

So he called for a Monday morning workout at the stadium.

"Maybe after it's over I'll be able to tell you whether Mickey and Bill will start on Wednesday," Stengel said. "On the other hand, I'll work 'em out again on Tuesday morning for I want to make sure."

Just what he would do if they couldn't play, he didn't reveal. But the chances are he would put his prize rookie, Tony Kubek, in center to replace Mantle and shift Elston Howard, a baseball jack of all trades, to first for Skowron.

Mantle, whose bid to retain batting's Triple Crown, was foiled by shin splints in his left leg, sat out the last three games of the season while Skowron, a heavy-hitting right hander, has been on the sidelines for nearly a month with a painful back injury.

Mantle's Leg Better
The chances appeared to be that Mantle would play for he reported his leg "feeling better."

But it didn't look like Skowron would make it. Stengel had hoped to get all the right-handed hitting power possible in his lineup to face the Braves' opening game pitcher, the gifted left hander, Warren Spahn.

Spahn, a 21-game winner, is expected to oppose Whitey Ford, a Yankee cripple for most of the season, who finished strong with a total of 11 victories.

While the Yankees were working out, the Braves were being feted in a civic ceremony and parade in Milwaukee. The Braves were scheduled to leave Milwaukee by plane at 2 p. m. e. d. t. and arrive in New York some three hours later.

Manager Fred Haney, announcing definitely that Spahn would be his first game starter, scheduled a workout for Yankee Stadium Tuesday afternoon.

"I want my players at the stadium on Tuesday to practice during the same time the games there will be played," he explained at Milwaukee. "Then they can establish the patterns of the sun and shade during the afternoon."

Field Troubles Visitors
Center and left field especially have given visiting players trouble at the stadium.

Haney refused to go beyond his

To Reopen School Rooms at Eldorado

Board at Special Meeting Votes to Hire 2 Teachers

Follows Conference With Gardner, Review Of School Finances

The Board of Education of the Eldorado City Schools, at a special session at 7 a. m. today, voted to hire two teachers and restore the second and fourth grade rooms at the Lincoln attendance center.

A week ago Friday the board had closed the two grades and moved pupils and teachers to Washington school, releasing two substitute teachers to make room for the faculty members from Lincoln. About 25 pupils were affected by the closings.

This caused a protest from mothers of children in the Lincoln school area, and there was picketing with banners at Washington school on Tuesday afternoon, Wednesday and Thursday. Picketing was stopped after there were indications there could be a solution to the matter.

Conference With Gardner

The special meeting this morning was a follow-up of a two-hour conference held Sunday by C. K. Gardner, county superintendent of schools, who had been requested by the board and interested patrons to act as moderator. This conference was held with seven representatives of the interested patrons and five members of the seven-member board of education and a review of the school district's financial structure was the principal topic during the afternoon.

This morning's meeting was arranged to accommodate two members of the board of education who could not be in attendance yesterday. At the conclusion of this morning's board meeting, not attended by the patrons' committee, the board voted to hire two teachers and reopen the two rooms.

At the regular board meeting last Thursday night one member, Dr. Quentin Wilson, said he and other board members were under the impression that the school would have between \$20,000 and \$25,000 less money with which to operate this year than last. He also said that if the figure was sufficiently less than the \$20,000 or \$25,000 he would be willing to vote for restoration of the two rooms. At today's meeting, it was learned, Dr. Wilson made the motion to reopen the rooms.

Little Change In Income

At the week-end meetings Superintendent Gardner produced income figures for last year and projected figures for this year. He said the assessed valuation and the tax rate would be the same and added that comparison of the two school years pointed to very little change, if any, in the expected income of the district this year as compared with the last year.

He also pointed out that there were 27 members on the 1956-57 faculty compared with 22 this year.

"In assuming that an average salary for each teacher is \$3,500, a reduction of five teachers would point up less expenditure this year of about \$17,500," Gardner stated. "Also, the school district this year has discontinued offering transportation, an expensive item in school finance."

There was no immediate word on just who the new teachers would be.

Mrs. Roy Metcalf to Address County Historical Society Meeting Tuesday Night

Mrs. Roy Metcalf will be the speaker at the regular monthly meeting of the Saline County Historical Society Tuesday evening at the library. The introduction to her talk will deal with antiques in general found in southern Illinois. She will have a display of Majolica and the major emphasis in her talk will be on this highly prized collector's item. Majolica, like many valuable pieces today, served as a favorite wedding gift as well as being given as prizes during the time it was made extensively. Its history, method of manufacture and its value today combine to make an interesting meeting on Tuesday.

Mr. and Mrs. Metcalf are regarded as authorities in their business, their specialty being art glass of many kinds. Much of their time is devoted to orders for special collectors. Mr. Metcalf has recently

Tom Endicott Sells Buick Sales To Brother; Buys Agency in Florida

Announcement was made today that Tom Endicott has sold his interest in the Tom Endicott Buick auto sales to his brother, Robert Endicott, and that Tom Endicott has bought a Buick automobile agency at Del Ray Beach, Fla.

Robert Endicott, who has been manager of the Endicott Excel Market the past two years, will take over on Oct. 1 the operation of the Buick agency in Harrisburg, which will be known as Endicott Buick. The agency is on U. S. Route 45.

Tom Endicott announced that he sold his agency in Harrisburg for reasons of ill health. Both Mr. Endicott and his five-year-old son suffer from hay fever and he had been looking for a location where the climate was more favorable.

The Florida city where he obtained the Buick franchise is on the east coast, between Miami and Palm Beach. He left Harrisburg last Thursday for the new site and his wife and two children will depart later. He will assume his new dealership Oct. 1.

Mr. Endicott, who has been the Buick dealer here for the past five years, has done an outstanding job in the operation. He expressed his regret at leaving.

"I definitely did not want to leave Harrisburg, my home town," he stated. "I have loved my work here but decided that for reasons of health it would be better if I sought a different climate. The decision to leave was hard to make."

His brother, Robert obtained a degree in business administration at Illinois Wesleyan University at Bloomington, Ill., following his graduation from Harrisburg Township high school. He was in the Army for two years, serving in Korea, and since his return has been manager of the Excel.

Paul Endicott, father of Tom and Robert who has devoted most of his time to his farm since Robert took over as Excel manager, has returned to the operation of the store now that Robert is assuming a new job.

Robert Endicott declared that there will be no changes in personnel at the Buick agency and that the operation and policy will be the same as under his brother, Tom.

returned from a show in Asheville, N. C., one of the largest and finest in the U. S. Mrs. Metcalf will leave the latter part of October for a show in Wilmette, Ill.

The meeting, which will be held in the lower rooms of the Mitchell-Carnegie Library at 7:30, will be opened with a piano solo by George Dennis, son of Judge and Mrs. Traffon Dennis. He is a very talented young man and the society is pleased to welcome him.

Reports on the progress of the historical markers, the Lincoln Bricks, the Autumn Color Tours, and the Old State Bank at Shawneetown will be given.

The public is cordially invited to attend any and all meetings of the Saline County Historical Society. Mr. and Mrs. Louis Aaron will be in charge of the social hour.

New Galatia Unit Elects School Board

Organization Meeting Tonight At High School

The new Galatia Community Unit school district elected a seven-member board of education Saturday and an organization meeting was scheduled for seven o'clock tonight at the Galatia high school. Elected were Thomas H. Weight of Tate township and Terry Fowler of Galatia township, who tied for the top vote, and Joe Small and Paul Drott of Brushy township, John Boycott of Galatia township, W. B. Pulliam of Brushy township and Lloyd Oglesby of Long Branch township, who finish ed in the order shown.

Voting was at Precinct 1, all of Galatia township and the part of Raleigh in the district; Precinct 2, the part of district in Brushy township; and Precinct 3, Tate and Long Branch.

The winners' vote totals were: Fowler and Weight 368, Small 318, Drott 281, Boycott 280, Pulliam 278 and Oglesby 257.

Other candidates received: Walter Russell 160, Virdon Garrett 208, Arthur Hill 159, Ralph Wallace 75, Ewell Harris 53, James Eatherly 117, Kenneth Malone 213, Charles Conwell 200, Jesse Higgins 85 (all Galatia township); James Richey 125, Robbie Hankins 147 (both of Brushy); Gail Lawrence of Raleigh 64, James C. Durham of Long Branch 186.

Purchases Property

A. L. Wallace, Karnak, maintenance man employed by the New York Central Railway, has bought the Robert Allen property at Dorris Heights, and will occupy it in about two weeks. Mr. and Mrs. Allen plan to take up residence in or near Chicago Heights, where he is employed.

Clifford Johnson, Former Resident Of Galatia, Dies

Clifford Johnson, 49, a former resident of Galatia, died in St. Joseph's hospital in Peoria, Saturday afternoon. He was the son of the late John Henry and Laura Johnson, former Galatia residents. The funeral services will be held at 10:30 a. m. Tuesday in the Wilton funeral home at Peoria and burial will be in the St. Joseph's cemetery there.

Mr. Johnson is survived by his wife, Katherine, of Peoria; and the following brothers and sisters: Tom Johnson and Vernon Johnson, Peoria, Dan, Raymond, and Ed Johnson, Springfield, Mrs. Helen Gill, teacher in the grade school in New Haven for several years, and Mrs. Eunice Anderson, Elmhurst.

Daley Criticized At Formation of Demo Federation

Will Operate Separately from Regular Party

SPRINGFIELD (UP) — Chicago Mayor Richard J. Daley and other Cook County leaders came in for some stinging criticism during the formation of a new Democratic Federation of Illinois here this week end.

The federation was organized to operate separately from the regular Democratic organization and to attract voters and contributors who might be reluctant to affiliate with the "professional" Democratic organization.

State Rep. Paul Simon, Troy, was elected chairman of the federation. Edward T. Kelly, Chicago, an aide to U. S. Sen. Paul H. Douglas, was elected vice chairman; Mary Beth Carroll, dean of women at Rockford College, was elected secretary; and Arnold Maremont, Chicago industrialist, was chosen treasurer.

Sen. William E. Proxmire, Wisconsin Democrat who was elected to fill the unexpired term of the late Sen. Joseph R. McCarthy, was principal speaker at the federation's first dinner Saturday night, which drew a crowd of about 350.

Harold Pogue, Decatur, former trustee of the University of Illinois, led the onslaught on Daley and other leaders in the regular organization.

He said the federation is not "trying to tell those running the party how to run it but they could well take some advice."

He said the regular organization has been "giving us some beautiful examples of how not to win elections."

Pogue's speech was directed at charges that Daley and other leaders have been handpicking Democratic candidates for state office.

John E. Cassidy, Peoria, former Illinois attorney general, joined the attack and said party leaders "antagonized the voters" by meeting behind closed doors to handpick the party slate.

Kelly told the meeting "there was no reason for and really no excuse for" charges made against the federation last week at a meeting here to form a new Democratic county chairmen's organization.

At that meeting State Rep. Paul Powell, Vienna, led the attack on the federation as a move to "take over the party."

Scott is Elected To Regional Board Of Demo Federation

The governing body of the Democratic Federation of Illinois is made up of a state-wide executive board, comprised of the elected officers of the organization, together with other party members. The state has been divided into six regions, with each of the regions having representation on the board.

Five of the regions — Northern, Western, Eastern, Southwestern and Southern — each have four members on the board. The Northern Metropolitan region, composed of Lake, DuPage, Will and Cook counties, will have twenty members.

Elected to the executive board from the Southern region were Attorney Don Scott of Harrisburg, George B. Bader Jr., of McClure, Mrs. Hazel Berlin of Vandalia and Ed Vogt, Litchfield.

The organization is provisional. Atty. Scott said today, and will operate as a provisional organization until a statewide convention is held at Springfield in June, 1958. At that time plans are to make the organization permanent in nature.

No Decision Yet on Calling Special Session: Faubus

FAUBUS MEETS WITH MOTHERS—Arkansas Gov. Orval E. Faubus shakes hands with Linda Lou Head, 7, daughter of one of the 150 or more mothers who marched on Governor's Mansion in Little Rock to ask that troop-guarded Central High School be closed. After meeting the mothers, Faubus told an impromptu news conference that he is giving "serious consideration" to calling the Arkansas legislature into special session to enact legislation aimed at taking Central High School "out from under Federal control." (NEA Telephoto)

In Acceptable Stages

Will Suspend Nuclear Tests for Disarmament, Lodge Tells Russia

UNITED NATIONS (UP) — Ambassador Henry Cabot Lodge told Russia today the West will agree to suspension of nuclear tests if the Kremlin will go along with a disarmament program "in acceptable stages."

Lodge, speaking for the United States, told the United Nations Disarmament Commission the entire record of the 5½ months' private arms talks held in London earlier this year should be reviewed by it and by the General Assembly "calmly and in a spirit of good will."

"We commend our proposals," he said.

Funeral Services Held Today for George King, 70

George King, 70, 26 West Lincoln street, Harrisburg, died at 6:05 p. m. Friday in the Veterans hospital at Marion. The funeral services were held in the Church of the Living God, 11 Towle street, at 2 p. m. today. Rev. Melvin Priest officiated and burial was in the Wolf Creek cemetery at Eldorado. The body was in the care of the Turner funeral home, Harrisburg.

Mr. King is survived by his sons, Estel King, Hammond, Ind., Donald King, Menard, and Lester King; and his daughters, Maudie King, Dixon, Francis Hayes, Gary, Ind., and Mae Belle King, Harrisburg.

Kelly told the meeting "there was no reason for and really no excuse for" charges made against the federation last week at a meeting here to form a new Democratic county chairmen's organization.

At that meeting State Rep. Paul Powell, Vienna, led the attack on the federation as a move to "take over the party."

The Red Cross Bloodmobile will be at the Harrisburg Elks club Wednesday, Oct. 2, from 12 noon to 6 p. m.

The Saline county chapter urges a good response in the appeal for blood donors during the visit.

The chapter points to the following facts showing the citizens of Saline county are not responding as they should in the appeal for blood.

There are 17,490 people in Saline county between the age of 18 and 60 and of this number, 15,741 are potential blood donors. Only 428 residents of Saline county and 13 out of county residents have donated blood from July 1, 1956, through August 31, 1957.

Donors from different towns are as follows: 270 from Harrisburg, 107 from Eldorado; 39 from Carrier Mills, 6 from Galatia, 4 from Raleigh; 2 from Stonefort; 3 from Equality; 1 from New Burnside; 4 from Creal Springs; 1 from Vienna; 1 from Ozark; and 3 from New Haven. A total of 577 pints of blood was collected during this period.

Many donors can not give over once or twice a year, so 428 individuals can not be expected to meet the requirements of a county with a population of 33,420. This is a county program, maintained for the welfare of every resident; therefore every resident has a responsibility.

There are very few families in

said. "... They insure that the nuclear buildup would be stopped short and gradually diminished. A start would be made toward an open world in which the chances of surprise attack and miscalculations which are bred in fear and lead to war would be reduced to the vanishing point. . . .

"In essence, we, that is to say Canada, France, the United Kingdom and the United States, have made and do make this offer to the Soviet Union:

"We will suspend nuclear tests for an initial period expected to be two years but also subject to further extension, provided you, the Soviet Union agree on establishing an effective inspection system, air and ground; on stopping production of fissionable material for weapons purposes and reducing present stocks; on starting outer-space missile control; and on reducing armed forces.

"We do not insist that all these things be done at once. An agreement that they should be done in acceptable stages is enough to get this program under way, and suspension of testing would be the first thing to happen."

France, Britain, Russia and Australia also were listed to be heard by the 12-nation Disarmament Commission.

The General Assembly started the third week of its general — or policy — debate with speeches led from the representatives of Argentina, Byelo Russia, Ethiopia, Venezuela, Pakistan and Morocco.

Bloodmobile to Visit Harrisburg Wednesday; Appeal for Donors

The Red Cross Bloodmobile will be at the Harrisburg Elks club Wednesday, Oct. 2, from 12 noon to 6 p. m.

The Saline county chapter urges a good response in the appeal for blood donors during the visit.

The chapter points to the following facts showing the citizens of Saline county are not responding as they should in the appeal for blood.

There are 17,490 people in Saline county between the age of 18 and 60 and of this number, 15,741 are potential blood donors. Only 428 residents of Saline county and 13 out of county residents have donated blood from July 1, 1956, through August 31, 1957.

Gov. Stratton Urges Careful Understanding Of Little Rock Case

SPRINGFIELD (UP) — Governor Stratton has called for "careful understanding" in the Little Rock integration case and President Eisenhower's use of federal troops there.

Stratton, who is chairman of the National Governors' Conference, told a Civil War round-table meeting Saturday night that the President acted "not because of the matter of integration but because the orders of the federal court were being disrupted."

He said it was Eisenhower's job to "maintain respect for national law."

Stratton avoided any reference to Arkansas Gov. Orval E. Faubus.

Drugged and Robbed, Barge Worker Says

Faris Morris, 40, barge worker from St. Louis and Frisco City, Ala., told county officers this morning that he had been drugged near Evansville and robbed and abandoned near Stonefort.

He said he lost a big new suitcase filled with clothing, between \$60 and \$80 in cash, and the shoes and jacket he was wearing.

Morris was picked up around 5 a. m. Sunday by Earl Pankey in the vicinity of the old Garris chapel and taken to Deputy Sheriff Jeff Stricklin at Carrier Mills.

He gave the following account of what happened:

He was at the Evansville bus station Saturday night preparing to buy a ticket to St. Louis when four men in a car told him they would take him to St. Louis if he would buy the gasoline.

He agreed, he said, buying the gasoline and a pint of whisky. Each took a swig of the whisky. Morris getting the last drink, and that was the last he knew until he awakened near Stonefort. He said he believed that knockout drops were put in the bottle just before he took the drink.

Morris said he had been working on a barge which hauled for timber from West Virginia down the Ohio and Mississippi, that the barge was going into dry dock and that he rode it to Evansville, getting off to go on to St. Louis.

Mrs. Willis Foster, Former Resident, Dies

Mrs. Eva Foster, 60, widow of Willis Foster, a former resident of Harrisburg, more recently residing at 805 Glendale street, Benton, died in the Franklin county hospital at 4:30 a. m. Saturday. The Freeman funeral home in Benton was in charge of the arrangements and the funeral was held in the Church of God on North McLeansboro street, Benton, at 2 p. m. today. Rev. H. R. Harwood and Rev. Walter Joplin officiated and burial was beside her husband in the Sunset Lawn cemetery in Harrisburg.

Would Consider Closing Little Rock High School

Reduce Force of Paratroopers, Bayonets Removed

LITTLE ROCK, Ark. (UP) — Gov. Orval E. Faubus said today he has made "no decision yet" on whether to call the Arkansas Legislature into special session to consider closing Central High School.

In one breath, Faubus told reporters that "It is very likely there will be a special session." But a second later, he added:

"There has been no decision yet and it very well could be that there will be no special session." "Do you personally want a special session?" a reporter asked Faubus.

"Personally, no," the governor replied. "It's a lot of work and a terrific strain."

He had said previously that he was under "pressure" from members of the Legislature to call the session.

He made these statements to reporters as he arrived at his office at the state Capitol. Earlier, he had implied to a United Press reporter, who joined him for breakfast at the governor's mansion, that he was cooling off on the idea of a special session.

Fewer Paratroopers on Guard
At troop-guarded Central High, the second week of integrated education began peacefully.

A reduced force of paratroopers, with bayonets removed from their rifles, stood guard as nine Negro children entered the school without incident.

The Negro children arrived at the school at 8:18 a. m. c. s. t. in an Army station wagon, escorted as usual by two jeeps of paratroopers. One soldier, with a pistol strapped on his belt escorted them from the car into the building. A small group of white students stood on the steps to watch their arrival, but made no demonstration.

About 200 paratroopers, less than half the number who drove back sullen crowds last Wednesday, ringed the school this morning. The naked bayonets which had been fixed on their M-1 rifles last week were conspicuously absent.

No crowds assembled on the streets near the school.

Faubus envisioned reopening the school as a "private institution," a maneuver calculated to remove the federal government's legal justification for using troops to enforce integration.

Political opponents were confident they could defeat Faubus' plan either in the Legislature or in the courts. Central High School gets more than 80 per cent of its funds from local taxes which do not pass through state collection and disbursement machinery.

Some local authorities felt the school could continue to operate indefinitely with these funds even if state support were cut off.

They also believed, as did legal officials in Washington, that federal courts would quickly strike down any special legislation that was aimed solely at integrated schools.

Charged With Leaving Scene of Accident

Bob Roberts, who lives on West Logan street, was given a ticket today for leaving the scene of an accident after his car struck an auto on South Main street near Cook's tin shop.

Extinguish Fire

The Harrisburg fire department yesterday afternoon extinguished a sign board fire on Route 13 a short distance west of Harrisburg.

Eagles Soar to 56-6 Win Over Bull Dogs

Griffith May Shift Senators To Minneapolis

NEW YORK (AP) — Calvin Griffith, president of the Washington Senators, plans to visit Minneapolis during the World Series next week to inspect a new five-million-dollar stadium and talk over the possibility of shifting his American League franchise there.

Griffith confirmed a United Press story that a three-man committee has been negotiating for weeks to transfer the Senators to Minneapolis but added, "They haven't made any proposition that would come close to enticing us away from Washington."

Griffith declined to identify two other cities which are attempting to acquire the Senators but the United Press learned Louisville is one of them.

It was also learned that the American League clubowners are unanimously in favor of Minneapolis as a major league site. The new stadium can be enlarged to seat 45,000 and the Minneapolis-St. Paul population center is regarded as a potential "Milwaukee."

In order to draft the Minneapolis territory for the 1958 season, a major league club would have to do so between Oct. 1 and 31. The New York Giants, bound for San Francisco, own the Minneapolis franchise and the Brooklyn Dodgers, presumably bound for Los Angeles, own the St. Paul club.

Attendance at Washington has gone steadily down from an all-time high of 1,027,216 in 1946 to a mere 431,647 last year. This year's figure is expected to total about 450,000.

Set Off 23rd Nuclear Device

ATOMIC TEST SITE, Nev. (AP) —Atomic test shot "Charleston" sent the western sky with the fury of more than 20,000 tons of TNT early today, silhouetting in the brilliant fireball the 11,910 foot desert peak for which it was named.

The 23rd device of the Atomic Energy Commission's nearly completed summer series sent its eerie glow over Mt. Charleston, 60 miles from the Yucca Flat platform where it burst forth from about 1,500 feet in the air underneath a tethered balloon.

Many of the tests carried out by the Nevada test organization since 1951 have been viewed by observers from the lofty mountain.

The nuclear experiment designed by the University of California's Livermore Laboratory, shattered the air violently at 8 a. m. c. d. t.

The momentary brilliance faded in the arriving dawn. The AEC said "Charleston" had a wide range of possible yields but laboratory technicians had fixed its most likely power at "above nominal" or well over the estimated strength of World War II atom bombs unleashed over Japan.

Fined

Paul Snickford, arrested on charges of driving while intoxicated and illegal transportation of liquor picked up by the illegal transportation charge in county court after the driving charge was nolleed and was fined \$200 and costs. Roy Page arrested on a charge of driving while intoxicated pleaded innocent and was placed under \$500 bond.

Braves Beat Reds, 2-1; Set New Attendance Record; Yankees Wallop Boston, 10-2

By United Press
The Milwaukee Braves had a new home attendance record to go with their National League pennant today and should reach two other goals before going on to their World Series rendezvous with the New York Yankees.

The Braves eclipsed their old league attendance mark Friday night when 23,676 fans turned out to see them beat the Cincinnati Redlegs, 2-1. With two games remaining on the schedule, Milwaukee has drawn 2,145,926 at home compared to its previous mark of 2,131,388.

In addition the Braves came within easy reach of two other honors.

—Homers by Andy Pafko and Del Crandall boosted their season output to 199. They need only one more round tripper to become the fourth team in major league history to reach 200 for a season.

—The victory was the Braves' 94th of the year—being the club record set by the "miracle" Braves of 1914. One victory in their last two games will be sufficient to give them a new club mark.

Lew Burdette the likely starter in the second game of the World Series tune up with a four hitter as the Braves whipped the Red Sox, 10-2.

Giardello Stops Lane in Seventh

CLEVELAND (AP) — Hard hitting Joey Giardello said today he's going to sit down and enjoy his strengthened No. 2 middle weight contender's spot until either Sugar Ray Robinson or champion Carmen Basilio makes a decision about future plans.

Giardello enhanced his title chances Friday night by stopping Bobby Lane at 2:45 of the seventh of a scheduled 10 round nationally televised bout. A series of right hand smashes to the chin had Lane staggering helplessly around the ring when referee Tony La Branche called a halt to the scrap.

Lane, Kannapolis, N. C., weighed 159 pounds. Giardello formerly of Philadelphia but now residing in New York, scaled 161

Feuquay Scampers to Six Touchdowns in Rout; Stone Scores Local Tally

A slightly-built, hard-running back named Lester Feuquay, with a line in front of him that out charged the Bull Dogs all night, scampered to six touchdowns last night as the Eldorado Eagles annihilated Harrisburg, 56 to 6, on the Eldorado gridiron last night.

Eldorado started out after the Bull Dogs at the outset of the game and dogged the Bull Dogs the entire game.

It was the worst defeat the locals have suffered since West Frankfort won 51-0 in 1942 and next to the most lopsided score in the long series between the two schools. Harrisburg won 61-6 in 1935.

Feuquay made his touchdowns on runs of 53, 26, one, 68, two and 32 yards. He seemed to explode out into the open, then he was off scampering to a touchdown. Nobody has run as well as Feuquay against the Bull Dogs in a long, long time.

Had Lots of Help

Of course, the Eagle halfback had lots of support. In Carl Justice Coach Al Adams had a quarterback who handled the ball so deftly that the Bull Dogs were tackling men who did not have the ball and the actual carrier was somewhere out alone in the open. And the Eldorado line did its part in the operation, too, being great

Centralia and Herrin Tie, 13-13

Mount Vernon Stops West Frankfort, 36-7

By United Press
Peoria Manual's red-hot Raiders racked up 40 points or more for the third straight week and whacked Lincoln's Railsplitters 40-6 Friday night in a Big 12 conference clash.

Manual now has scored a total of 145 points in three games while holding its opponents to a total of only 12.

In southern Illinois the two top contenders for the South Seven conference crown, Herrin and Centralia, battled to a 13-13 tie.

The Murphysboro Red Devils, a strong contender for the southwest Egyptian Loop title, walloped DuQuoin 40-0. In other southern games, Mount Vernon stopped previously unbeaten West Frankfort 36-7, Johnston City shellacked Norris 49-0, and Anna blanked Carbondale Community 13-0.

Eldorado ran up one of the night's high scores in trampling Harrisburg 56-6.

In a full slate of conference games in the Big Eight, Aurora West surprised Rockford East 13-12, Aurora East whipped Rockford West 27-0, Freeport trimmed Joliet 26-6, and La Salle - Peru halted Elgin 14-6.

Ottawa dealt Mendota a 38-0 setback for its third straight win, and DeKalb added its third victory of the season, 27-6 over Hall of Spring Valley.

Pana whitewashed Litchfield 29-0, and Edwardsville blanked the Staunton Bulldogs 25-0.

In the Eastern Illinois race, Paris nudged Westville 14-6, and Charleston, a favorite for the title, whacked Oblong 28-0.

In another Big 12 encounter Danville edged Urbana, which had won its first two games handily, 21-9.

Effingham's Flaming Hearts, who had a 6-6 knot put in their long victory string last week, had the string snapped this week, going down before Hillsboro 19-6.

on defense as well as offense. The vaunted Harrisburg defense did not stand up at all against the Eldorado assault. Not too much had been expected of the offense.

Statistics showed Harrisburg was close to Eldorado in first downs making nine to the Eagles' 11. But from scrimmage Eldorado made a net 422 rushing to 107 for Harrisburg and a total of 514 yards from scrimmage to 190 for the locals.

Locals Score in Third Period

In passing Eldorado tried two aerials, Justice connecting with both. One went 60 yards for a touchdown, the other for 32 yards. Harrisburg completed five out of 19 attempts for 83 yards and had four tosses intercepted.

Harrisburg was penalized 31 yards, Eldorado 75.

The locals made their touchdown at the outset of the third quarter, moving 70 yards to score. From the H-30 Eddie Price made two yards and Bill Yates 12 to the H-42, after which Price went five and Yates jaunted 21 to the E-32. After an incomplete pass Price moved three yards to the 29 and Mickey Stone got through every body for a magnificent 29 yard run to score. The placekick at tempt was no good.

Eldorado scored on the third play of the game as Feuquay ran 53 yards, and made two more tallies before the first period ended, 19 to 0. Feuquay ran 26 yards for another TD midway in the period and Jack Fowler ran for the extra point. Third tally was a 21 yard jaunt by fullback Jerry Rains Intercept Pass.

In the second period quarter back Justice passed to end Jim Woods, who was all alone when he caught it, and he went the remaining distance unmolested on a 60-yard pass play. Two plays later Feuquay intercepted a Harrisburg pass and raced 53 yards to the H-12. Harrisburg was penalized to the one and Feuquay carried over to make the halftime score 31 to 0.

Harrisburg put on its scoring spurt at the outset of the third period, the drive being climaxed by Stone's fine 29-yard in which he had to get away from everybody on a converging Eldorado team.

Shortly afterwards Feuquay exploded for a 68-yard run and went over again from the two after Justice had passed 34 yards to Fowler. The quarter ended 43-6.

Play Mt. Vernon Friday

In the final period, after Fowler ran 15 yards to the 18 and Rains 11 to the seven, Rains carried again to score from the seven. Then in the last quarter, after Justice had intercepted an Eldorado pass, Rains ran 33 yards to the H-37, Feuquay added five to the 32, then ran the remaining 32 on the next play to make the final count 55-6.

Harrisburg Coach Calufetti started Bud Logan and Don Pickford at ends, Jack Simpson and Ron Maynard at tackles, Gary Aldridge and Darrell Biggs at guards, Alen Buchanan at center, Ray Hassett at quarterback, Bill Yates and Mickey Stone at halfbacks and Eddie Price at fullback.

Al Adams' starters were Jim Woods and Tom Baugher at ends, Mike McMahon and Bernard Goodley at tackles, Dwight Laffoon and Ronnie Hall at guards, Fred Pool at center, Carl Justice at quarterback, Lester Feuquay and Jack Fowler at halfbacks and Jerry Rains, fullback. Both teams substituted freely and both coaches cleared the benches after the game was a rout.

Harrisburg will entertain Mt. Vernon next Friday night, Eldorado will travel to Johnston City.

UCLA Beats Illinois

Bruins Cash In On Breaks in First Half to Win, 16-6

LOS ANGELES (AP) — UCLA capitalized on breaks and the individual brilliance of tailback Kirk Wilson to upse Illinois for the first time in four meetings Friday night by a score of 16-6.

The UCLA linemen used a blocked kick and a fumble recovery to set up two touchdowns in the first half and added a field goal for their victory margin before 47,714 fans in Memorial Coliseum.

The Illini, led by quarterback Tom Haller, dominated the second half almost entirely, marching 65 yards only to lose the ball in the third period and then driving 91 yards in the final period to get their only score.

Illinois had been expected to use the passing arm of sophomore Bob Hickey but UCLA put a six

and seven man rush on him to nullify his efforts in the final half.

Wilson, last year's punting champion, got off several booming kicks of better than 50 yards. The Illini performed brilliantly on their long drives which UCLA was able to stop once but not a second time.

UCLA capitalized on its defensive game late in the opening period when fullback Ray Smith recovered an Illini halfback Dale Smith's fumble on the visitors' 28.

Five plays later, Wilson plunged six yards for the first score.

Minutes later, Bill Leeka blocked Illinois quarterback Haller's punt on the Illini 39. A 33-yard pass to end Dick Wallen put UCLA on the six. Two plays later fullback Barry Billington plunged over from the one. A field goal in the final minute by halfback Steve Gertsman from the 24 gave UCLA a 16-0 halftime lead.

half a different team. Haller's passes to end Rich Kreitling and Bob Mitchell's running moved them 35 yards to the UCLA 14 only to have Mitchell's fumble end the drive.

Again Illinois came back on a 91 yard drive on Haller's passing. Halfback Don Grothe plunged over from the 8 for the score.

Illinois ran up 289 yards, 172 of them through the air, to outgain the Bruins, who had a 227 yard total.

DR. FRANK NORFLEET, pastor of Immanuel Baptist church, Paducah, Ky., will be the evangelist for eight day revival at First Baptist church, Harrisburg, Oct. 13-20. Dr. Norfleet's church in Paducah is rounding out a quarter century of broadcasting the gospel. The broadcasting of its morning services is the oldest continuing broadcast in Kentucky and is one of ten oldest in the entire nation. Dr. Norfleet was appointed a Kentucky Colonel by the governor of Kentucky for his outstanding contribution to the city of Paducah, in serving as president of the cities' Good Government League. Dr. Norfleet is known throughout the Southern Baptist Convention as one of its ablest speakers to state brotherhood conventions. While in Harrisburg he will be speaking twice daily, at 10 a. m. and 7:30 p. m.

Brother Signers
Richard Henry Lee and Francis Lightfoot Lee, of the well-known Virginia family, were the brothers who signed the Declaration of Independence.

SIU to Conduct Classes Here

Adult night classes in typing, accounting, arts and crafts and beginning sewing will be conducted in Harrisburg this fall by the Southern Illinois University Division of Technical and Adult Education.

Registration for the non-credit courses, open to any Harrisburg area adult regardless of previous education, will be held from 7:30-8:30 p. m. Monday (Sept. 30) at Harrisburg Township High School.

Tuition and book fees are payable at registration. Illinois veterans, however, may present a photostatic copy of discharge papers in lieu of cash to cover payment.

All classes will meet at the high school on Monday nights for 12 weeks.

The schedule, with meeting times and fees:

Beginning typing — Mondays, 7:30-8:30 p. m., \$16.70.

Accounting II — Bookkeeping — Mondays, 7:30-8:30 p. m., \$18.

Arts and crafts — 7:10 p. m., Monday, \$10.80.

Beginning sewing — Mondays, 7:10 p. m., \$10.80.

Life Expectancy Up

NEW YORK (UP) — Average life time of Americans has been increased by about 20 years since 1900, insurance company statisticians report. The life expectancy of babies born now is 69½ years, according to the Metropolitan Life Insurance Co.

The treasurer of the United States is actual custodian of the public moneys.

Carmi Garden Clubs Present "Indian Summer by the Lake"

The Garden clubs of Carmi, the Little Wabash garden club and the Green Thumb garden club, are presenting, "Indian Summer by the Lake" from 2 to 6 p. m. Sunday, at Carmi.

There will be five major divisions and 1st, 2nd and 3rd place ribbons will be awarded in each class, where merited. Division 1 is horticulture, plant collector's corner; division 2, horticulture, in door gardens; division 3, horticulture, cut flowers; division 4, artistic arrangements and division 5, out-door tables.

Of particular interest in class 4, is an invitational class, "Refreshment Time," an arrangement expressing "frosted drinks for fall holidays." This class is limited to Out-of-County Exhibitors and White County Exhibitors who have won more than five blue ribbons.

In division 5, the invitational class, "Bar-B-Que Supper," using fresh fruits and/or flowers, will be limited to Out-of-Town Exhibitors.

Rules include the following: 1. All entries must be in place and ready for judging by 11 a. m. on Sunday 2. Entries will be accepted from 2-6 p. m. Saturday preceding the show and from 8:30-10:30 a. m. Sunday. No exhibit may be removed before 6 p. m. Sunday.

Card tables will be furnished for out-of-county exhibitors only. Ladies are requested to wear low heels to protect the lawns.

White ribbons will be awarded for honorable mention in any class a tri-color will be awarded to the outstanding blue ribbon winner in arrangements and horticulture, if merited, and a sweepstakes award will be given to a club.

There will be a division for juniors, under 16 years of age.

Miss Sherry Lynn Fielding Celebrates Eighth Birthday

Miss Sherry Lynn Fielding, daughter of Mr. and Mrs. Randall Cook, 705 West Parish street, Harrisburg, celebrated her eighth birthday with a party in her home, Thursday.

There were games, and prizes were won by Karen Rider, Junior Rider, Richie Gidcomb and Doug Angelly. Sherry opened many gifts from her guests and friends, which were admired by the group. Party refreshments were served by her mother, assisted by Miss Patty Schellenger.

Others present at the party were: Candy and Sherry Duncan, Lucy Gidcomb, Terry Davis, Joan Cozart, Carol Adams, Brenda Williams, Connie Jo Mathews and Barbara Volly.

Sherry and her parents moved to Harrisburg from Murphysboro recently.

Mr. and Mrs. J. R. Partain and Mr. and Mrs. Ed Mendenhall, Harrisburg, visited in Rose Hill Friday.

Calendar Of Meetings

Rebekahettes of Theta Rho girls' club will meet at 6:30 p. m. Tuesday. This is a regular meeting and important business concerning the trip to Springfield will be discussed. Members are urged to attend. Mrs. George Chrisman, adviser.

There will be a stated meeting of Galatia IOOF Lodge No. 433 Tuesday at 7:30 p. m. All members are urged to attend and visitors are welcome.

Pride of Midway Rebekah Lodge No. 679 will not have initiation tonight but will have degree practice immediately following the regular lodge meeting.

The Bona Fide Federated club will meet Tuesday at 7 p. m. at the home of Mrs. Lydia White.

Notice Masons: Special meeting Harrisburg lodge No. 325, A. F. & A. M. Tuesday 1:15 p. m. at Masonic temple to attend funeral of Bro. Virgil Anderson Alonzo Shew make Jr., W. M.

BIBLE THOUGHT FOR TODAY

Consider the lilies of the field, Matt. 6:28.

They are not cultivated flower, nor are the orchids that grow in swamps, nor the rose. The protective coloring of birds and beasts is no accident. We mortals also beautify the objects of our love.

Better Than Nothing

It is well that in its last-minute rush Congress did not neglect to approve a measure designed to protect the FBI's raw files from fishing expeditions by crooks and Communists.

Those files have been in peril since the celebrated Jencks decision of the Supreme Court earlier this year. That ruling stated that a defendant had a right to examine the files where it was deemed necessary in the defense effort to discredit testimony by opposition witnesses.

Under the measure passed by Congress, a defendant still can look at the federal files when material relates directly to a witness's testimony.

But if the government itself says the material isn't relevant, then the judge would look it over in private and decide whether or not it should be given to the defense.

Such a measure would seem a minimum safeguard for vital FBI files.

Graceful Loser

Twenty-one years ago a genial fellow with wispy hair, glasses and a twangy Middle-Western voice was going up and down the land in presidential combat.

While the battle was on he perhaps did not realize it, but it was one of the toughest uphill struggles ever undertaken by a presidential nominee.

He didn't come anywhere near the top. In fact, he took an unprecedented licking.

The man was Alfred M. Landon, then Republican governor of Kansas. His formidable adversary President Franklin D. Roosevelt crushed him by 27 million votes to 16 million. Landon captured but eight electoral votes—the total for Maine and Vermont.

But the vanquished Kansan never lost his sense of balance nor allowed himself to become engulfed in bitterness. He went on to many useful duties, keeping more and more out of the public eye as the years advanced.

Now he is 70. As one who managed his brief flight to the heights with decorum and sportsmanship he deserves warm congratulations from us all.

The WASHINGTON MERRY-GO-ROUND

by DREW PEARSON

(Editor's Note: Drew Pearson, writing from the near East, gives some ideas on Little Rock and segregation.)

Drew Pearson says: U. S. Information Officer has difficulty combatting events at Little Rock: Ike learned his buck-passing in the Army; he learned to duck trouble young.

AMMAN, JORDAN.—If you're a U. S. information officer in the Near East these days trying to win friends for the U. S. A., you have a problem. The problem is how to counteract Little Rock.

It's your job to make the United States appear to be the friend of the Arabs, the champion of underprivileged people. Personally, you believe this to be true. But what can you write or say to convince the Arab public when it is faced with pictures of a Nashville, Tenn., schoolhouse bombed and blasted because one Negro child was admitted, of a lone Negro child sitting in the back row of a Tennessee classroom, of Negro students in Little Rock being turned back by state troopers, of a 15-year-old Negro girl in Charlotte, N. C., telling how she wanted to be a nurse but finally gave up.

With the pictures are news stories . . . stories of violence, bitterness, race hatred against a people because of the color of their skin. People in this part of the world generally have colored skin, too—brown. In fact, two-thirds of the world is black, brown or yellow.

There is no Soviet press here. There doesn't have to be. The pictures, the straight news accounts tell their own story.

Alongside the news are pictures of Ike—smiling, golfing, yachting, always smiling. If you're a U. S. information officer or even an ordinary American who likes to have people think well of his country, you can't help wishing that Ike at least sometimes would not smile.

Viewing the integration bitterness of Little Rock from halfway around the world, my memory goes back to another bitter scene when troops were marched down Pennsylvania avenue to clear 20,000 destitute veterans of World War I out of the nation's capital.

I was a young reporter then. It was the first time I saw Dwight D. Eisenhower, then an officer on the staff of Gen. Douglas MacArthur, Chief of Staff of the U. S. Army.

The veterans at first arrived in a mere trickle. They wanted Congress to pass a bonus. Gradually, slowly, their number grew. Camped out on the flats of Anacostia, they put up shacks, started soup kitchens. Friendly merchants contributed to their support.

Eisenhower was appointed liaison man for the Army with local D. C. police, to keep General MacArthur informed. We used to see him in the District of Columbia building, sitting in the press room reading westerns. He kept away

Census Records Help Prove Retirement Age

Of the 4,783,021 farmers counted in the 1954 Census of Agriculture, 779,282 reported they were 65 years old or more and 951,310 were in the 55 to 64 age range. Thousands of these farm operators, as well as other groups of farm workers and household workers, are becoming eligible for benefits under the expanded Social Security Act coverage which went into effect in 1955.

Many of these older persons, born before the registration of births became general practice, are among the estimated 30,000,000 Americans without birth certificates or other official proof of age—a requirement in qualifying for Social Security benefits. A transcript of a personal census record for use as proof of age may be obtained from the U. S. Bureau of the Census for a fee covering the cost of searching the records. A fee of \$3.00 pays for a routine search, handled in order of receipt, of not more than two censuses of one person. This may take from 4 to 6 weeks, depending on the backlog of applications. An expedited search may be obtained for a \$4.00 fee.

Persons in need of their census records can obtain an Age Search Application Form by writing to the U. S. Bureau of the Census, Washington 25, D. C.

Personal information in the U. S. Census records is confidential and is furnished only upon the signed application of the individual to whom it relates.

About 3½ million transcripts of personal census records have been furnished to applicants as proof of age, citizenship or identity in the 22-year period since the Social Security Act was approved.

The Age Search Section of the Bureau of the Census is self-supporting, its expenses being paid by the fees charged for searching the records.

J. H. Bynum, Who Taught at HTHS, Is Teaching in France

Jay H. Bynum, who taught English and journalism at HTHS for the past three years, is now teaching at the Rochefort American high school in Rochefort, France.

In a letter to Chris Brown, co-editor of the Purple Clarion, HTHS publication, Mr. Bynum tells of his trip to Europe and some of the sights he saw. Here is his own description:

"We were a couple of days in N. Y. C.; flew to Frankfurt, Germany, by way of Greenland and Iceland, and over Paris. True to army tradition, they flew us considerably past our destination and then sent us back by train.

"We came into Paris. It didn't impress me nearly as much as I expected — it is dirtier than I thought. Of course, we really didn't have time to see the nicer parts.

"We came on down thru Tours and Joan de Arc's Orleans to Portier, where we spent two more days, and then finally on down to Rochefort. . . .

"France is very different from America. For one thing, there are no houses built of wood; they are tall, narrow buildings, and even here, in a small town, are built very close together.

"Every house has a garden — either of flowers or vegetables or both. They are usually very neat and immaculate.

"This part of France has historical significance . . . at Poitiers, Charles Martel father of Charlemagne, stopped the invasion of the Roman Empire by the Moors; at La Rochelle the Huguenots embarked for America; at Lourdes is the famous Catholic shrine—made famous by the vision of Bernadette; Orleans was, of course, the site of Jeanne de Arc's most famous victory; at Rochefort, Napoleon spent his last day in France, was captured by the British, and deported to St. Helena."

Raleigh Register

Eight persons professed faith in the morning worship of the First Baptist church before a large revival meeting congregation Sunday.

There was a birthday celebration honoring Rev. C. E. Russell recently. Following church services a reception was held in the lower room of the church.

There was a large attendance and many beautiful floral offerings at the funeral of Aunt Winnie Newcom, recently. The community offers sympathy to her relatives and friends.

Mrs. Lucy Karnes, Brookport, was a week end guest of Mr. and Mrs. Frances Lassester.

Mr. and Mrs. Jesse Yates attended the funeral of Dan Yates, nephew of Mr. Yates, in Harrisburg Saturday. The community extends sympathy to the Yates family.

The grade school pupils are preparing their school annuals. They are soliciting advertising and working to finance the publication. The books are a source of pride to the pupils.

World's first mile of concrete road was laid on Woodward Avenue, Detroit, Michigan, in 1908.

Census Records Help Prove Retirement Age

Of the 4,783,021 farmers counted in the 1954 Census of Agriculture, 779,282 reported they were 65 years old or more and 951,310 were in the 55 to 64 age range. Thousands of these farm operators, as well as other groups of farm workers and household workers, are becoming eligible for benefits under the expanded Social Security Act coverage which went into effect in 1955.

Many of these older persons, born before the registration of births became general practice, are among the estimated 30,000,000 Americans without birth certificates or other official proof of age—a requirement in qualifying for Social Security benefits. A transcript of a personal census record for use as proof of age may be obtained from the U. S. Bureau of the Census for a fee covering the cost of searching the records. A fee of \$3.00 pays for a routine search, handled in order of receipt, of not more than two censuses of one person. This may take from 4 to 6 weeks, depending on the backlog of applications. An expedited search may be obtained for a \$4.00 fee.

Persons in need of their census records can obtain an Age Search Application Form by writing to the U. S. Bureau of the Census, Washington 25, D. C.

Personal information in the U. S. Census records is confidential and is furnished only upon the signed application of the individual to whom it relates.

About 3½ million transcripts of personal census records have been furnished to applicants as proof of age, citizenship or identity in the 22-year period since the Social Security Act was approved.

The Age Search Section of the Bureau of the Census is self-supporting, its expenses being paid by the fees charged for searching the records.

Bladder 'Weakness'

If worried by "Bladder Weakness" (Getting Up Nights or Bed Wetting, too frequent, burning or itching urination) or Strong Smelling, Cloudy Urine, due to common Kidney and Bladder Irritations, try OYSTEX for quick help. 30 years use prove safety for young and old. Ask druggist for OYSTEX under money-back guarantee. See how fast you improve.

New 'Comprehensive' Medical Insurance Plan by GE Studied as Model

By JACK V. FOX
United Press Staff Correspondent

NEW YORK (AP)—The vast General Electric Co. started in the autumn of 1955 a new "comprehensive" medical insurance plan which is being scrutinized by other businesses as a possible model.

The GE plan, underwritten by the Metropolitan Life Insurance Co., differs mainly from older plans in that it covers most bills outside hospitals, has no set schedule of fees and provides major coverage up to \$15,000.

The major criticism of the plan is that it is open to widespread misuse and overuse by employees and by doctors.

About 96 per cent of General Electric's 225,000 workers voted for the comprehensive plan after bargaining with the company through 93 unions. Taking in their families, approximately 500,000 persons are covered.

Here are some of its main provisions:

For hospital rooms, surgery, anesthesia and X-rays, the GE employee must pay the first \$25 of cost himself. Benefits are 100 per cent of the next \$225. After that, the policy pays 85 per cent of additional expenses and the patient 15 per cent—up to \$7,500.

"Fifty-Dollar, Deductible For doctor fees other than surgery, performed any place, for registered nurses, various treatments and for medicines requiring a prescription, the employee

pays the first \$50. The remainder of expense is borne 75 per cent by insurance and 25 per cent by the patient—up to \$7,500.

Excluded from coverage is dental care, except for surgery, eye glasses, hearing aids and medical examinations or laboratory tests for "regular physical checkups."

It is noted only in the latter case that should an employee undergo a checkup showing that he is in need of treatment, the diagnostic charge usually is covered. Should the checkup show him sound and well, he must bear it himself.

General Electric also provided for a more limited medical insurance for employees reaching the age of 65 who had been with the company for 10 years or more.

The doctor is the judge of the type and amount of care required, but he is subject to the provision that the bill must be "reasonable, necessary and customary."

Didn't Work in Maine
One critic pointed out that a similar "comprehensive" type insurance was tried at an iron works in Maine. He said that within a short time the workers and their families were making so many and such unnecessary demands that the project had to be dropped in favor of insurance establishing set fee schedules for specific care.

One Metropolitan official cautioned that if voluntary health insurance becomes too costly, compulsory government insurance may not be far off. He quoted one physician as saying: "The time has come when we must wise up the doctor and wise up the patient, or else."

Voluntary plans can be priced out of the market, he said, if patients and doctors spend more than is needed simply because there is insurance.

The human elements enters very much into this consideration. One doctor pointed out that a person feeling, sick might (A) shrug it off and go to work, (B) go to bed (C) call his doctor or (D) demand to be taken to a hospital. The response of persons with the same degree of illness will vary greatly among those four choices.

General Electric also provided for a more limited medical insurance for employees reaching the age of 65 who had been with the company for 10 years or more.

The doctor is the judge of the type and amount of care required, but he is subject to the provision that the bill must be "reasonable, necessary and customary."

Fracas Follows SIU-Arkansas State Contest

CARBONDALE, Ill. (U)—A foot ball fracas which broke out after a rough Arkansas State College Southern Illinois University game was investigated by SIU officials today.

Arkansas State won the game Saturday, 13-6.

But nobody was sure who won the fight that followed the game. Nor was anyone sure how, or why, it started.

Nearly 300 persons swarmed onto the field after three SIU players tackled an Arkansas ball carrier in the last play of the game. One fan said the Arkansas player felt he had been tackled too hard and swung at one of the SIU men.

About 10 persons—players and spectators—exchanged blows, but no one was reported injured. Campus police broke up the demonstration in about five minutes.

SIU has a number of Negro players, including halfback Carver Shannon, leading scorer and ground gainer of the Interstate Intercollegiate Athletic Conference last year.

Shannon was knocked unconscious early in the game, which had no penalties called in spite of the rough play.

Safety Changes

Distance required to stop a car on ice changes from hour to hour. The nearer ice gets to the melting point, the more slippery it becomes.

Michigan's first automobile manufacturing company was started in Lansing in 1897.

Looking at Sports

BY BILL MELTON

Tuesday afternoon Equality and Carrier Mills high schools will engage in a cross country meet at Carrier Mills and it presents a rather unusual situation.

A. L. Willis, Carrier Mills coach, formerly was mentor at Equality and members of the Equality cross country team were coached as freshmen and sophs by Willis. Nothing would please them more than to beat their "old coach" and of course Willis would enjoy winning from his former "boys."

And the Equality coach, John Beggs, is a CMCHS graduate and still makes his home in Carrier Mills. Beggs would be more than happy to grab a win in his first appearance against his former school. And the CM runners are just as anxious to spoil Beggs' debut. It's all good natured of course.

The meet is to be run at 3 p. m. A large ribbon will be presented the winning team and smaller ribbons awarded the first five finishers.

Two changes have been made in the Eldorado football schedule from the original announcement. The first change added another home game for Eldorado and the other changed a Friday night game to Saturday night.

Eldorado will meet Norris City in a couple of weeks—Oct. 11—and the game was listed for Norris City. However the Norris City gridiron isn't in the best of condition and by mutual agreement the site was transferred to Eldorado. This will give the Eagles four home games in a nine-game schedule.

The game with Benton, first an-

nounced for Friday, Nov. 1, has been moved forward to Saturday, Nov. 2.

More than one thing probably figured in the change, but one consideration was the "gate." Harrisburg entertains West Frankfort on Nov. 1 and it seemed rather unwise to have two big attractions the same night within 8 miles of each other.

The shift in the Benton-Eldorado game to Nov. 2 will give fans a chance at a full week end of football without leaving the county.

The Nov. 2 week end will be homecoming at Eldorado.

Basketballs will start bouncing tomorrow in all the non-football playing high schools, and in some that play football.

Oct. 1 is the earliest date, according to the IHSA, that basketball practice can be started.

Bragan to Pilot Indians

CLEVELAND (U)—Pepper-pot Bobby Bragan, who was dropped as manager of the Pittsburgh Pirates in mid-season, bounced back into the major leagues today as the new manager of the Cleveland Indians.

The fiery Bragan succeeded a bitterly disappointed Kerby Farrell, whose release was announced last night at the end of a season that saw the highly-rated Indians finish in sixth place, 21½ games behind the Yankees.

"We feel that a change of managers will serve the best interests of the team," said General Manager Hank Greenberg in announcing the switch.

Bragan, former major league catcher who managed the Pirates to a brilliant start in 1956 but a poor start this year, was not present at the meeting that made known his appointment. He was in Cuba, where he is managing Almandares of the Cuban Winter League, but Greenberg said Bob by would arrive in New York early Tuesday to attend the World Series and meetings with the Cleveland staff.

The Four Horsesmen of the Apocalypse represent Conquest, Death, Famine and Slaughter.

GOOD CATCH, ANYWAY—Tommy McDonald appears to be making a miraculous catch of a low forward pass but in reality the Philadelphia Eagles' halfback is recovering his own fumble as he heads earthward after being tripped up in the 17-14 defeat by the 49ers at Kezar Stadium in San Francisco. McDonald had taken a lateral from Frank Wydo.

Stan Musial, Ted Williams Win Batting Titles

By United Press

That "youth will be served" stuff was temporarily shelved in the leagues on the final day of the 1957 baseball season as 39-year-old Ted Williams and 36-year-old Stan Musial officially wrapped up the batting championships.

Williams finished with a .388 batting average to .365 for American League runner-up Mickey Mantle of the Yankees.

Musial was an easy National League winner with .351 to .333 for Willie Mays of the Giants.

The major league home run crown went to hammerin' Hank Aaron of the Milwaukee Braves as Ernie Banks of the Chicago Cubs, who had 43, bagged five hits during an 8-3 victory over the Cardinals but couldn't get that one last homer. Aaron also took the big league runs-batted-in title with 132.

Sievers Wins Three

Roy Sievers of the Washington Senators became the first member of an eighth-place team ever to win three American League championships.

Sievers won the home run crown with 42, the runs-batted-in crown with 114, and the total bases title with 331.

Jim Bunning of the Detroit Tigers got credit in relief for a 7-4 victory over Kansas City to join the 20 game winners' club at the last minute with a 20-8 record. The only other pitchers to make

it this year were Warren Spahn of the Braves with 21 and Billy Pierce of the White Sox with 20. But the top won-lost percentage crowns went to non-members of the elite circle. Bob Buhl of the Braves was best in the National League with 18 wins and seven losses for 7-20 and Dick Donovan of the White Sox and Tom Sturdivant tied for A. L. honors at 16-5 for .727.

Big Ten Teams, Michigan State, Minnesota, Iowa And Michigan, Show Power

By United Press

Based on their opening game victories, at least four teams from the Big Ten Conference should give defending champion Oklahoma a real tussle for this year's national college football crown.

While Oklahoma enjoyed an open date last Saturday, Michigan State, Minnesota, Iowa and Michigan stole some of the Sooners' thunder the first time they flexed their muscles this season.

Michigan State employed 67 players in an effort to keep the score respectable but still wound up with a 54-0 triumph over Indiana; Minnesota trampled Washington, 46-7; Iowa ran up its highest score in 43 years in blasting Utah State, 70-14; and Michigan turned back Southern California, 16-6.

Oklahoma swings back into action this week against Iowa State in a Big Eight conference game. This contest shaped up as another "breather" for the Sooners until last week end when Iowa State displayed surprising scrap in battling Syracuse to a 7-7 tie.

The Big Ten's "big boys" have Saturday dates with comparatively weak non-league opponents. Michigan State visits California, which dropped a 13-7 verdict to Washington State; Minnesota hosts Purdue, which suffered a 12-0 shutout at the hands of rebounding Notre Dame; Michigan entertains Georgia, a 9-6 loser to Vanderbilt; and Iowa hosts Washington State, fresh from its victory over California.

Aggies Look Impressive

Texas A&M, ranked second behind Oklahoma last week, looked impressive once again in bowling over Texas Tech, 21-0. But the Aggies may not find things as easy this week when they visit Missouri, a 35-13 winner over Arizona.

Among the other top-ranked teams, Navy is at North Carolina, Tennessee hosts Mississippi State, Duke entertains Maryland and Oregon State is at Northwestern.

Third-ranked Georgia Tech will draw a one-week respite and can use it after being held to a surprise scoreless tie by Southern Methodist. In other week-end shocks, Auburn handed Tennessee a 7-0 defeat on a touchdown by Billy Atkins; Texas Christian fought off a last-ditch Ohio State rally for an 18-14 victory; Columbia presented new coach Buff Donelli with a 23-20 opening game

VFW Loses to Evansville, 11-7

The VFW baseball team was downed 11-7 Sunday afternoon on VFW field by the Evansville, Ind., All-Stars. The All-Stars were formed from the Evansville Union team and the Richland, Ind., team. This was VFW's second loss in its last 16 games and its season record now stands at 25 wins and 9 losses.

Jerry King and Don Wallace pitched the first five innings for VFW and had control trouble and also got some shoddy support as the visitors piled up a 10-3 lead. Don Stout took over the hit in the sixth and allowed only three hits and one run over the remainder of the route and the VFW, which has made a practice of winning games in the late innings, fought back but this time were just too far behind and fell 11-7.

Bill Roland, a former Western Association pitcher, threw an assortment of curves and change-ups at the locals and although touched for 12 hits managed to hang on for the win.

Harrisburg started strong and ended strong but in the in-between innings played poorly. In the first inning Romonosky hit a long home run to right center with two mates aboard and in the ninth scored two runs on an interference, a fielder's choice and triples by Ron Ziegler and Bill McNew.

Bill McNew led the local hitters with three hits. Bob Dallas and Ray Sisky had two hits and Stout, Ziegler, Romonosky, Willis and King got the other hits. Holland and Jones had three hits each to lead the winners.

Next Sunday the VFW will play a double header on VFW field when Thompsonville and Marion visit Harrisburg.

Hutchinson is Signed to New Card Contract

ST LOUIS (U)—Fred Hutchinson said Sunday he was "completely satisfied" with the terms of the new contract he has signed with the St. Louis Cardinals.

Frank Lane, general manager of the Cardinals, said the agreement on the one-year contract was reached in a meeting of Cardinal President August A. Busch Jr., executive vice president Richard A. Meyer and himself.

Hutchinson did not reveal the terms of the contract, but Lane said he received an increase over his 1957 salary.

"We are all glad to accept Frank Lane's recommendation that Fred Hutchinson be rehired for next season," said Busch.

"We all feel that Hutch has done an outstanding job in 1957," Busch added. The Cardinals made a great fight of it in the pennant race, certainly a much better showing than most people anticipated. We are all proud of that showing, of Hutch and every member of the ball club. With the kind of season the Cardinals had this year, he can only look forward to 1958 with optimism."

Hutchinson said he is "looking forward to next season with confidence that the Cardinals again will be a strong contender."

Yankees Await Arrival of Braves; Two Stars, Mantle And Skowron, on Ailing List

NEW YORK (U)—The champion New York Yankees hoped to solve their injury problems today while awaiting the arrival of the Milwaukee Braves and what could be the richest overall World Series in history.

Manager Casey Stengel of the Yankees, shooting for his eighth Series championship in nine tries, wondered whether his ailing stars, Mickey Mantle and Bill (Moose) Skowron, would be able to play in Wednesday's opening game at Yankee Stadium.

So he called for a Monday morning workout at the stadium. "Maybe after it's over I'll be able to tell you whether Mickey and Bill will start on Wednesday," Stengel said. "On the other hand, I'll work 'em out again on Tuesday morning for I wanta make sure."

Just what he would do if they couldn't play, he didn't reveal. But the chances are he would put his prize rookie, Tony Kubek, in center to replace Mantle and shift Elston Howard, a baseball jack of all trades, to first for Skowron.

Mantle, whose bid to retain batting's Triple Crown, was fouled by shin splints in his left leg, sat out the last three games of the season while Skowron, a heavy-hitting right hander, has been on the side lines for nearly a month with a painful back injury.

Mantle's Leg Better

The chances appeared to be that Mantle would play for he reported his leg "feeling better." But it didn't look like Skowron would make it. Stengel had hoped to get all the right-handed hitting power possible in his lineup to face the Braves' opening game pitcher, the gifted left hander, Warren Spahn.

Spahn, a 21-game winner, is expected to oppose Whitey Ford, a Yankee cripple for most of the season, who finished strong with a total of 11 victories.

While the Yankees were working out, the Braves were being feted in a civic ceremony and parade in Milwaukee. The Braves were scheduled to leave Milwaukee by plane at 2 p. m. e.d.t. and arrive in New York some three hours later.

Manager Fred Haney, announcing definitely that Spahn would be his first game starter, scheduled a workout for Yankee Stadium Tuesday afternoon.

"I want my players at the stadium on Tuesday to practice during the same time the games there will be played," he explained at Milwaukee. "Then they can establish the patterns of the sun and shade during the afternoon."

Center and left field especially have given visiting players trouble at the stadium. Haney refused to go beyond his

New Directors for Southern Illinois Oratorio Chorus and Symphony at SIU

Robert Hines Dr. Carmine Ficocelli

CARBONDALE, Ill. — Returning members of the Southern Illinois Oratorio Chorus and Southern Illinois Symphony Orchestra will be greeted by new directors when they gather for the season's first rehearsals on the SIU campus this month.

Both organizations, composed of students, faculty and area musicians, were left leaderless this year by the deaths of Floyd Wakeland, veteran choral director, and Dr. Maurits Kesnar, organizer and conductor of the Symphony.

Taking over as director of the oratorio chorus will be Robert Hines, new head of choral activities at Southern. For the past five years he has been director of music for General Motors Corporation in Detroit. During the past year he served also as distinguished visiting professor at the University of Michigan, replacing the famed Maynard Klein, and taught classes in conducting, music history, music literature and theory at the Detroit Institute of Musical Art. A Juilliard School of Music Graduate, he directed the General Motors Chorus in national radio and television productions between 1952-57. He was choirmaster of Detroit's Our Saviour Lutheran Church during the same period.

Dr. Carmine Ficocelli, who becomes conductor of the symphony, is a former student of Serge Koussevitsky and Pierre Monteux. He founded and conducted the Youngstown (O.) Symphony Orchestra, the Mansfield (Pa.) Symphony and his own Ficocelli Sinfonietta. He taught previously at Indiana Uni-

16 Illinois Traffic Deaths

By United Press

Weekend Illinois traffic accidents claimed the lives of at least 16 persons, including four teenagers and a 2-year-old girl.

Clarence Rudolph, 16, Richmond, was killed and Virginia Dawson, 16, Spring Grove, was injured fatally in a two-car collision Saturday at the intersection of Ill. 173 and the Johnsbury blacktop road about three miles east of Richmond. They were passengers in a car driven by another youth.

David Waters and Huey Burton, both 17 and of Rochelle, were killed early Saturday when their car hit a concrete bridge abutment on U. S. 51 seven miles north of Mendota. Police said Waters was driving when the accident occurred.

A 2-year-old Chicago girl was struck by a fruit peddler's truck Saturday as she was riding her tricycle on the street in front of her house. The victim, Kathleen Verkes, died Sunday in Holy Cross Hospital.

Geraldine Gillespie, 12, Karnak, was killed Sunday when the car in which she was riding left Ill. 37 north of Grand Cham.

"The other night Fred asked me what soap I used for scrubbing floors! For two cents I'd call this off right now!"

Says Falsely Accused

Hodge, Browning Both Plead Innocent to State Charges

CHICAGO (AP)—Orville Hodge, imprisoned former state auditor, pleaded innocent to a new conspiracy charge today and said he has been accused falsely of stealing more than one million dollars.

Hodge and his former attorney, J. Roy Browning, both pleaded innocent to a charge of conspiracy to defraud the state.

Judge Henry W. Dieringer of Criminal Court set Nov. 8 for arguments on a motion by Hodge's attorney to dismiss the indictment.

But the judge ruled that Hodge himself would not have to appear. No action was taken on a second indictment charging Browning with being an accessory to the alleged conspiracy.

Before court began, Hodge handed newsmen a typewritten statement which said:

"I am not the thief which my accusers would have everyone believe."

His lengthy statement said in part:

"Recently two of the several audits made by the state dealing with my public and personal accounts were made available to me for examination.

"It is obvious—but I have never seen this published in any newspaper—that the audits show items amounting to over one million dollars which could not possibly have been taken and utilized to my personal gain, nor was this done."

Specifically, Hodge contended, items listed in sections 2 and 3 of the state audit covering activities of the auditor's office from January, 1953, to July, 1956, "could not possibly have been used for my personal gain."

He said the audit made of his account in the Southmoor bank showed personal deposits made from money earned in business enterprises involving both himself and his wife.

"Over \$300,000 had been deposited from these business enterprises and I cannot emphasize too strongly that this money had absolutely nothing to do with, nor was it in any way connected with, public funds," Hodge said.

"I have not had sufficient opportunity to review all the items in these audits. But I do state most emphatically that a superficial study has already shown me something over one million dollars that could not have been—nor was it—utilized for my personal gain in any manner, shape or form."

UMW Contract Clause Expires

WASHINGTON (AP)—The one-year "no change" clause in the United Mine Workers' contract with the nation's soft coal operators expires today.

Industry and UMW officials said they did not know of any plans to open new negotiations.

However, UMW President John L. Lewis often has quietly opened negotiations with mine owners in the past without serving public notice.

A spokesman for the bituminous coal operators would not say whether there have been any indications that Lewis will present new contract demands soon.

The present contract, effective Oct. 1, 1956, included a two-stage wage increase during the year, raising the basic daily wage in the industry to \$22.25. It does not contain a cost-of-living escalator clause.

Beginning Tuesday, either side may revoke the contract at any time by filing a 60-day written notice. Otherwise it will remain in effect indefinitely.

Army Announces Cuts to Meet Wilson Demands

WASHINGTON (AP)—The Army pulled in its belt another notch today to meet the economy demands of Defense Secretary Charles E. Wilson.

It said it would replace one of its two 15,000-man armored divisions with a 5,000-man armored combat team. It said it would also abolish 14 Air Defense installations and five aviation construction battalions as well as reduce a combat team in Panama.

The cuts were part of the army's drive to help meet Wilson's order to pare down its overall manpower strength by 100,000 men by the end of the current fiscal year next June 30.

The Army said in a statement last night it would cut its man power by 71,000 by next Jan. 1 and an additional 29,000 by June 30. It said Wilson's order also may force it to close some Army posts, camps and other installations.

The service said the manpower cuts would be concentrated "among personnel engaged in administrative, logistical and special activity" branches.

But it said Wilson's economy order required changes in its combat structure.

Wilson recently directed the armed forces to trim 200,000 men from their manpower strengths by next June 30. The orders were designed to save about a billion dollars in defense spending.

Teamster Group To Appeal Case to Supreme Court

WASHINGTON (AP)—Thirteen rank-and-file teamsters appealed to the Supreme Court today to prevent the union from holding its national elections this week.

They asked the high court to reinstate a Federal District Court injunction against holding the elections at the Teamsters convention opening today at Miami Beach, Fla.

The case must be taken for action to a single justice, as the court is still in summer recess. The lawyer for the 13 teamsters said, however, that selection of a justice is up to the court and not to them.

A court aide said the case probably will go to Chief Justice Earl Warren, who administers the District of Columbia circuit. Warren is now in Washington.

Shelley Quits Teamster Race

MIAMI BEACH (AP)—Rep. John Shelley (D-Calif.) withdrew today as a candidate for president of the huge Teamsters Union and called on his supporters to unite behind a move to defeat James R. Hoffa, the front-running candidate.

Shelley, who claimed 240 votes of the convention's 1,900, said he hoped his backers would get behind one of three Hoffa rivals — Thomas J. Haggerty of Chicago, William A. Lee of Chicago and Thomas L. Hickey of New York.

He described the three as "outstanding unionists who would attempt to keep the Teamsters within the AFL-CIO." He said the election of Hoffa, midwestern Teamster boss, might result in the ouster of the Teamsters from their parent organization.

Two-Year-Old Benton Boy Drowns

BENTON, Ill. (AP)—A 2-year-old Benton boy drowned Sunday in a four-foot deep draining ditch near his home.

Franklin County Coroner Barney Browning identified the victim as Joe Willis Jr. Browning said the boy evidently slipped into the ditch while playing.

The body was recovered by the boy's uncle, Donald Lance, who thought the boy had gone to church. He started a search when he found the victim's new shoes in the house.

Browning said the boy's father worked in Chicago.

An inquest will be held tonight at Benton.

MARKETS

LIVESTOCK

EAST ST. LOUIS, Ill. (AP)—Livestock:

Hogs 13.50; fully steady to strong, lighter weights steady to mostly 25 higher, 200-260 lbs. 18.00-18.60.

NEW YORK (AP)—Stock trading settled down to a dull, narrow moving affair today.

At noon the Dow Jones averages were: Industrials 457.73, up 0.84; rails 124.26, up 0.14; utilities 66.82, off 0.06; and 65 stocks 157.00, up 0.19.

Gov't to Seek Indictments At Little Rock

LITTLE ROCK, Ark. (AP)—Justice Department attorneys are preparing to go before a federal grand jury here to seek criminal indictments against instigators of mob violence at Central High School.

Some highly placed persons in Little Rock expect the grand jury to be called into session within a week. They believe the FBI already has enough evidence to obtain indictments against 8 to 10 men. At least 30 or 40 others are under intensive investigation.

One man in whom the FBI is taking a very active interest is Jimmy Karam, a close personal and political friend of Gov. Orval E. Faubus. Karam operates a clothing store in Little Rock.

Mayor Woodrow Wilson Mann has charged in an official statement to federal authorities that Karam was "one of the principal agitators" of last Monday's disorders at the school, which induced President Eisenhower to order in federal troops.

Mann also contends that Faubus himself was involved "at least" to the extent that he knew in advance of plans to stir up trouble at the school.

Karam and Faubus deny these charges.

The precise plans of the Justice Department are secret. U. S. Dist. Atty. Osro Cobb replies "no comment" to all questions.

Thinking It Over

By Robert L. Dieffenbacher, D.D.

We fear God's way as a lot of "don'ts" or as a loss of pleasure. Actually, the change is so positive that "dos" wipe out all the thought of negatives. Life becomes so full of real joy that o'd pleasures appear minor and trivial. God's alternatives are not based on our judgments of degree, but on His standards which are full and complete.

Thousands who have turned to God in recent years have found the changes in their lives cataclysmic, but most satisfying. They have found peace and joy with the changes in every phase of life—in every detail of their thinking and acting.

Arthritis-Rheumatism Vital Facts Explained

FREE DESCRIPTIVE BOOK

As a public service to all readers of this paper, a new 36-page highly illustrated book on Arthritis and Rheumatism will be mailed ABSOLUTELY FREE to all who write for it.

This FREE BOOK fully explains the causes, ill-effects and danger in neglect of these painful and crippling conditions. It also describes a successfully proven drugless method of treatment which has been applied in many thousands of cases.

This book is yours WITHOUT COST or obligation. It may be the means of saving years of untold misery. Don't delay. Send for your FREE BOOK today. Address: The Ball Clinic, Dept. 1216, Excelsior Springs, Mo.
